

Glorious Things Unfolding

[AUDIO VERSION](#)

Before we go into discussing the golden puzzle piece set in place in the morning watch of the Day of the Lord, I just want to mention that the sacrifice of the red heifer was postponed. Originally, government permission was given for this sacrifice on 29th March but due to the huge interest online concerning this and potential repercussions, permission was withdrawn. It has been said that the Jews in Israel are now looking at 10th April for this event. This just so happens to be the end of Ramadan, and as you can imagine there is potential for huge rage to break out on the burning of this heifer. Keep watching.

Now that is enough about the dark puzzle piece. Now let's focus on the unveiling or manifestation and lifting up of the golden puzzle piece. As you can guess from my use of the word 'manifestation', it is connected to the revealing of the sons of God, or the Manchild Company. Notice it occurs AFTER the setting in place of the dark puzzle piece.

A short time ago, the Lord drew my attention to a comet that will be appearing this year. I am not referring to the Pons Brooks Comet (which I spoke about in the post 'a Cooking Class and a Comet' – if you are new to this podcast, please go back and listen to that). Some may ask why this fixation on comets?

Gen 1:14 And God said, Let luminaries be in the expanse of the heavens, to divide between the day and the night. And let them be for signs and for seasons, and for days and years.

That word 'sign' is 'oth', meaning 'a *signal* (literally or figuratively), as a *flag, beacon, monument, omen, prodigy, evidence*.

A sign says something. It indicates direction and destination and confirms one is on the right path. The closer one gets to a destination, the more signs are positioned at the side of the road. So, that being said, the new comet my attention was drawn to is something that carries a message for those with eyes to see.

on January 9, 2023, the headline news in astronomy was that a new comet had been discovered; C/2023 A3 (Tsuchinshan–ATLAS).

This comet was first identified as an asteroid but later discovered to have a tail

It was photographed in December 2023 by the Purple Mountain Observatory (Tsuchinshan) in the east of Nanjing, China. Tsuchinshan is extracted from Mandarin Chinese for "Purple Mountain". It was discovered at the Purple Mountain Observatory, Nanking, China on 11 January 1965 with a magnitude estimated as a very faint 15.

When first discovered in the constellation Serpens, Comet Tsuchinshan–ATLAS was an exceedingly faint (18th-magnitude) object some 680 million miles (1.09 billion km) from the sun. But when it reaches its closest point to the sun (perihelion) on Sept. 27, 2024, that distance will have shrunk to 36 million miles (near the orbit of Mercury). Such an enormous change in solar distance would typically cause a comet to increase its intrinsic luminosity by 17 magnitudes.

Astronomers say that it will be at its closest to the sun on Friday, September 27, 2024. That day corresponds to the 25th of Elul (Hillel calendar). They estimate it will be visible for at least two weeks.

It is noted that on that Shabbat, Jews around the world will be reading the Torah portions which include this verse:

*Then My anger will flare up against them, and I will abandon them and hide My countenance from them. They shall be ready prey; and many evils and troubles shall befall them. And they shall say on that day, "Surely it is because our God is not in our midst that these evils have befallen us." Yet I will keep My countenance hidden on that day, because of all the evil they have done in turning to other gods. **Deuteronomy 31:17-18***

Wow, that's a judgement Scripture! It's a strong warning that in the last part of 5784, one must cast away any other gods and idols in one's life in order to get God's approval and protection. 25th Elul is the anniversary of the day God said, "Let there be light". So, what does the Purple Mountain comet say to us prophetically? Purple is a sign of royalty or governing authority. This heavenly body is closest to the sun, clothed in the sun's glory on anniversary of the day light was spoken into existence – and this is not referring to the sun's light because that was only made on the 4th day. Immediately when I read the word 'mountain', the Scripture in Daniel came to mind:

Dan 2:35 *Then the iron, the clay, the bronze, the silver, and the gold were together broken to pieces, and they became like the chaff of the summer threshing floors. And the wind carried them away so that no place was found for them. And the stone that struck the image became a great mountain and filled the whole earth.*

The great mountain covers the earth, and is found in every nation under heaven. This great mountain originates from a stone which is not hewed by a human hand, according to Daniel 2:34.

Dan 2:34 As you looked, a Stone was cut out without human hands, which smote the image on its feet of iron and [baked] clay [of the potter] and broke them to pieces.

The word translated 'cut out' means to quarry or determine' and comes from a root word meaning 'to decree, divide'. So, no human hand has had influence in the shaping of this stone. We know from 1 Peter 2:3-8 that this stone originally refers to Jesus, the Stone that was laid in Zion. However, because that stone struck the feet of the statue which were formed of iron and clay, this helps us to understand that the striking of these feet by the stone takes place in the days of the 4th kingdom, a kingdom where the human race and clay vessels in the image of God are infiltrated by 'other' seed. This is explained in Daniel 2:43.

*Dan 2:43 And whereas you saw iron mixed with miry clay, **they shall mingle themselves with the seed of men:** but they shall not cleave one to another, even as iron is not mixed with clay.*

Of course the feet have 10 toes; ten kings appointed to rule over all clay vessels on earth. We know what this refers to – the coming NWO of total control. BUT there is such good news! And that is what the comet Purple Mountain is announcing! The mountain represents the Kingdom of God that is uncrushable and defeats every other

kingdom raised up against His throne – even that of the NWO.

Dan 2:44 And in the days of these [final ten] kings shall the God of heaven set up a kingdom which shall never be destroyed, nor shall its sovereignty be left to another people; but it shall break and crush and consume all these kingdoms and it shall stand forever. Dan 2:45 Just as you saw that the Stone was cut out of the mountain without hands and that it broke in pieces the iron, the bronze, the clay, the silver, and the gold, the great God has made known to the king what shall come to pass hereafter. The dream is certain and the interpretation of it is sure.

But it's not only the kingdom – it's the kingdom coming IN A PEOPLE and I believe this stone hewed out without hands, Christ the Cornerstone, is coming in a company, specifically the Manchild Company of Rev 12. He is coming IN His people before He comes FOR His people. You can check that out in 2 Thess 1:10.

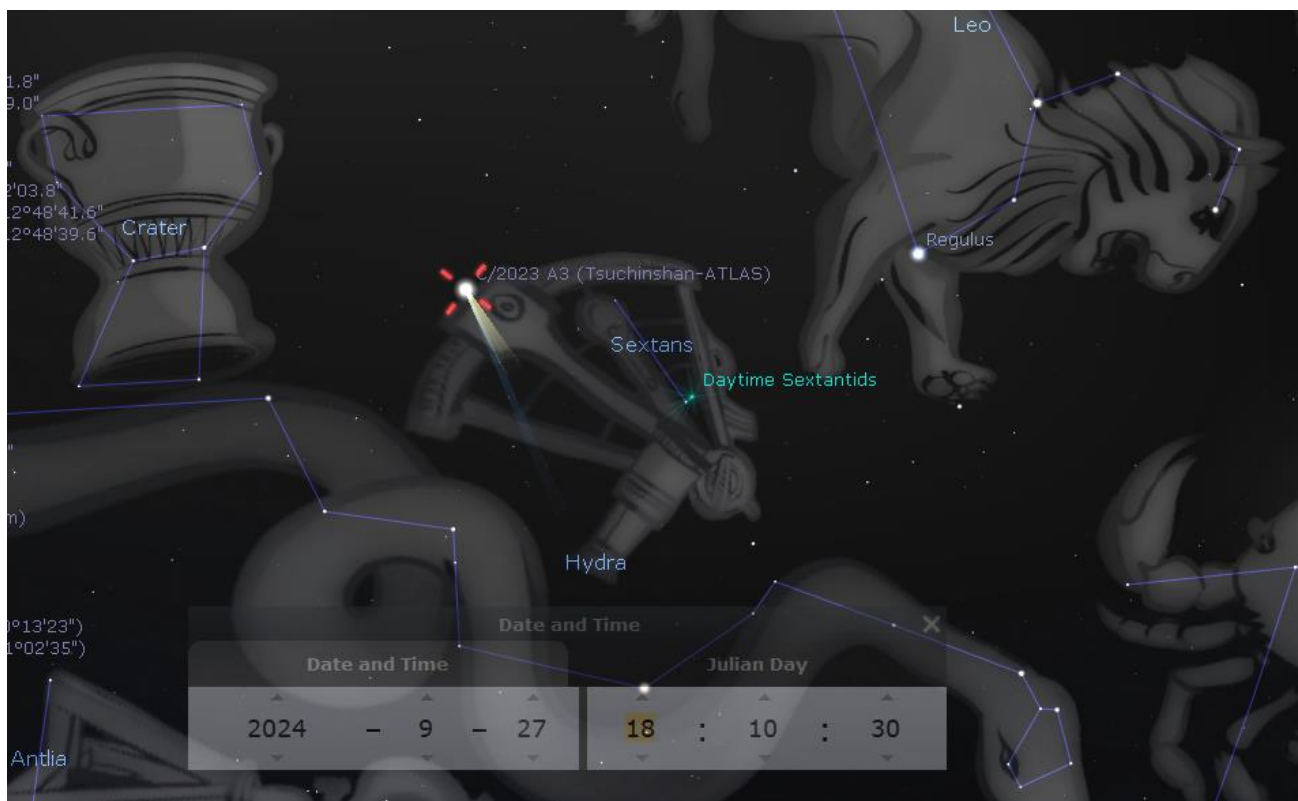

Zec 3:9 For, behold, I will bring forth My Servant, the BRANCH. For behold, the stone which I have given before Joshua, on the one stone are seven eyes. I will engrave its engraving, says Jehovah of Hosts, and I will remove the iniquity of that land in one day.

The Manchild Branch is His Melchizedek priesthood, filled with the 7 spirits of God. They are the finishing stone of the temple:

Zec 4:6 Then he answered and spake unto me, saying, This is the word of the LORD unto Zerubbabel, saying, Not by might, nor by power, but by my spirit, saith the LORD of hosts. Zec 4:7 Who art thou, O great mountain? before Zerubbabel thou shalt become a plain: and he shall bring forth the headstone thereof with shoutings, crying, Grace, grace unto it. Zec 4:8 Moreover the word of the LORD came unto me, saying, Zec 4:9 The hands of Zerubbabel have laid the foundation of this house; his hands shall also finish it; and thou shalt know that the LORD of hosts hath sent me unto you. Zec 4:10 For who hath despised the day of small things? for they shall rejoice, and shall see the plummet in the hand of Zerubbabel with those seven; they are the eyes of the LORD, which run to and fro through the whole earth.

Operating as both kings and priests, they are a plummet in the earth, a standard of righteous ruling authority as they execute His righteous judgements. This is what the purple mountain comet is a signpost of – a plummet stone that grows into a mountain filling the whole earth!

On the day it is closest to the sun (called perihelion), the 25th Elul on the Hillel calendar, the purple mountain comet is in the sextans constellation in a very particular spot (on the 27th September) this year.

A **sextant** is an instrument generally used to measure the altitude of a celestial object above the horizon for the purposes of celestial navigation, to determine latitude and longitude. Star and planet sights using a sextant are normally taken during nautical twilight at dawn or dusk, while both the heavenly bodies and the sea horizon are visible. That would be round about now in the Morning Watch year 5784.

So, one could say a sextant is used to get your bearings, to determine where you are on the map.

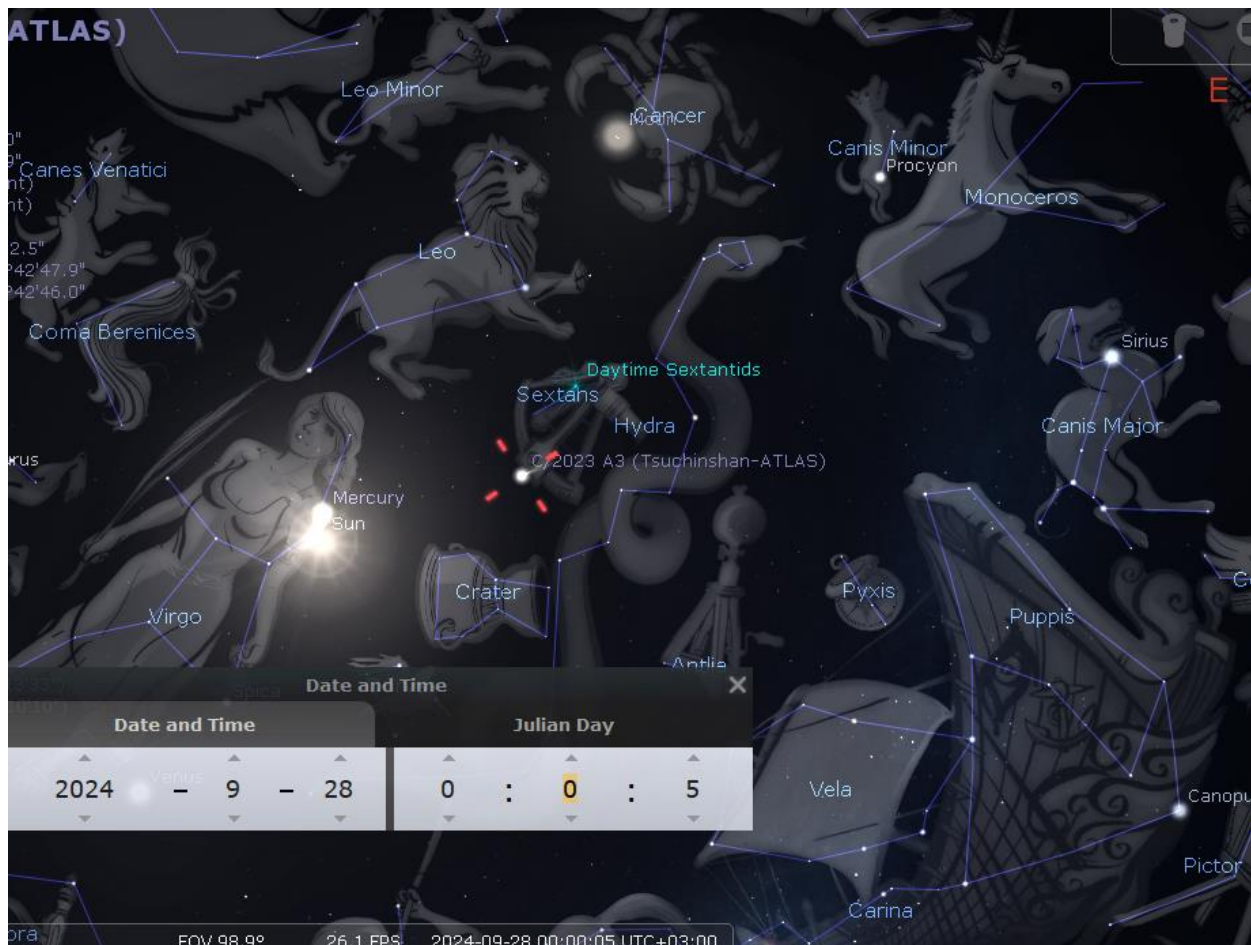

At the time when Purple Mountain comet is closest to the sun, it is positioned at the tip of the radial arm of the sextant, right in the center on the curved arc of the instrument. The measurement obtained from this intersection gives one a reading that determines longitude and latitude.

The radial arm of the sextant hangs vertically, like a plumbline. Ancient plumbines were just stones tied at the end of a cord, where their weight caused the cord to hang straight, giving a perpendicular line which could be used to check the straightness of building construction. The Purple Mountain comet sits exactly where the stone would hang at the end of the plumbline cord. Doesn't Zechariah 4:10 say that they will rejoice when they see the plumbline stone in the hand of Zerubbabel? The plumbline stone is the same stone referred to by the Lord earlier on as the one seven eyes or 7 Spirits.

Zec 3:9 For behold the stone that I have laid before Joshua; upon one stone shall be seven eyes: behold, I will engrave the graving thereof, saith the LORD of hosts, and I will remove the iniquity of that land in one day.

Look at the map below of the constellation positions in the sky at midnight on the 27th September. I can see a lineup of the kingdom of light against the kingdom of darkness. The battle lines are drawn & the heavenly constellations depict the lineup for the war in Revelation 12.

- BETHULAH, LION OF JUDAH & THE SHEEPFOLD OF CANCER
- Separated by DOVE, ALTAR OF FIERY JUDGEMENT (Crater) & SEXTANS
- Against HYDRA (WATERSNAKE ARMY ISAIAH 27:1, TWISTING SERPENT IN THE SEA)

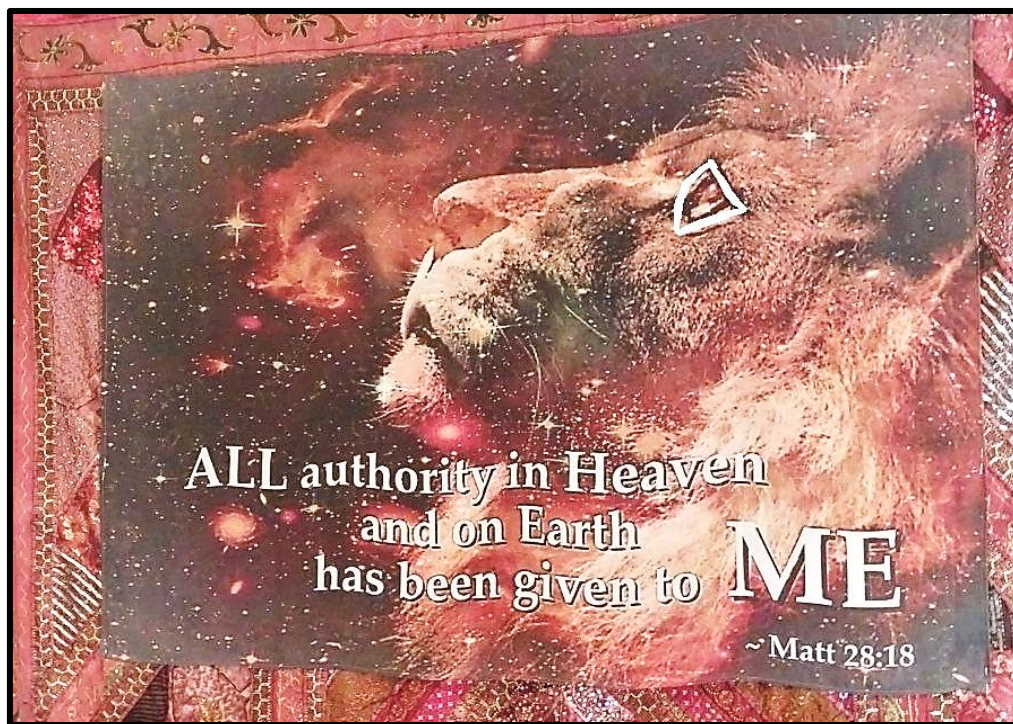

At the time the above picture was taken i.e. MIDNIGHT ON 25H ELUL 5784 (Hillel calendar), THE FIERY ALTAR IS TIPPING OUT AND THE VIRGIN HAS A **CONVERGENCE OF MERCURY AND THE SUN ON HER SHOULDER** (in other words, she is clothed with the sun, with glory and authority). Mercury is the messenger planet, so this convergence speaks of a messenger company released, clothed in the glory of God, even as the fiery coals are being poured out on the earth.

See above, at 6am, in the E, BOWL OF FIERY JUDGEMENT REACHES HORIZON and BETHULAH covered in glory of the Sun of Righteousness goes into hiddenness. The moon is still within safety of sheepfold Cancer and Sirius, the Bright Morning Star is ascended to right of the Sun. Furthermore, there is a lovely daytime display of a meteor shower pouring forth from the Sextans constellation. The daytime **Sextantids** meteor shower takes place within the boundaries of the constellation of Sextans. The meteor shower occurs between 9 Sep- 9 Oct with the peak occurring on the 27th Sept.

I would like to share the amazing way the Holy Spirit confirmed to me that the Purple Mountain comet is connected to the manchild company. I was contemplating the information I had learned about the sextant and the comet's position in the Sextans constellation and I somehow knew I had seen that sextant shape somewhere. Suddenly as I entered my bedroom and looked at the banner that hangs above my bed I saw what the Spirit was highlighting. **I saw that sextant shape is repeated in the eye of my Lion of Judah all authority banner as that Lion gazes at the stars in the universe!!**

Immediately, I was reminded of a post I had done on the Manchild's connection to the pupil of the eye. It is called ['The Manchild Raised Up and Mantled'](#). This is important to read if you haven't heard this before.

The sextant is the shape of the Lion's eye from the side and comet Purple Mountain is positioned right where pupil of eye would be, directing the gaze of Him Who is the Aleph and the Tav toward the fiery altar constellation. Beyond that is the dove constellation!

This is how the Holy Spirit confirmed to me that the Purple Mountain comet is type of manchild. As you will discover when reading the post called 'The Manchild Raised up and Mantled, the Hebrew for 'pupil' of the eye is two words 'ishon bat', ishon meaning 'little man or pupil' ie. Manchild, and bat meaning 'daughter or branch, and the apple of the eye'! Not only that but the design of the eye is a replica of the design of the throne room, with the seven lamps of fire forming the iris (the Hebrew word also meaning rainbow) surrounding the pupil or position of the throne.

Think of that golden puzzle piece moved out of hiding and into manifestation, then speedily lifted up and set in place in the big picture as the last remaining piece of the puzzle. That really depicts the 'adoption' or the placing of the sons of God.

From In the Twinkling of an Eye pt 2:

I have bent Judah for Myself. I have filled My bow (iris) with Ephraim and raised up thy sons o Zion against thy sons o Greece, and made you as the sword of a mighty man.'

In my message about the manchild being the apple of the eye and the iris of the eye being Judah, the Judah company, Judah is depicted as the iris muscle or the string of the bow. This iris muscle in the eye expands and contracts or expands and pulls together depending on the amount of light in the environment. In order to increase the amount of light that is available to the Body as it gets darker, the iris muscle

contracts and enlarges the place of the manchild company (the little man of the eye; the apple of the eye or the pupil).

From manchild, raised and mantled:

A year ago on the 9th of April, I woke up hearing a command, "It's time to arise. I will guard you as the apple of my eye". Note that phrase – 'the apple of His eye' is found in a number of scriptures. Deuteronomy 32:10 speaks of God finding Jacob (Israel) in the wilderness, and He led him about and instructed him and kept him as the apple of His eye. So, I started to do a study on that day when the Lord spoke that command about the apple of the eye. Now in psalm 17:8, it says, 'keep me as the apple of Your eye, hide me under the shadow of your wings'.

So, we see that the apple or the pupil of the eye represents the manchild. What is the pupil? It is a portal that lets light into the eye, which is then transmitted to the brain, which interprets it and then gives instructions to the whole body of what to do according to the light and the image that the pupil of the eye has transmitted to the brain. So this tells us that the manchild works in tandem with the mind of Christ, in order to transmit information and instruct the whole body of Christ, and this is why the manchild in Revelation 12 is caught up to the throne after his birth - because the manchild must see things from the throne room perspective. And this is where the Headquarters of the body is. The eye of the body and the mind or brain of the body work together to cause the whole body to move and react, according to the revelation that is received by the pupil of the eye or the apple of the eye - which in this case is the manchild. So the manchild has a watchman/seer function because they receive light and then work in tandem with the mind of Christ in order to transmit instruction to the Body or to feed the Body the Information and revelation that is needed to rightly react to external circumstances. That's really important.

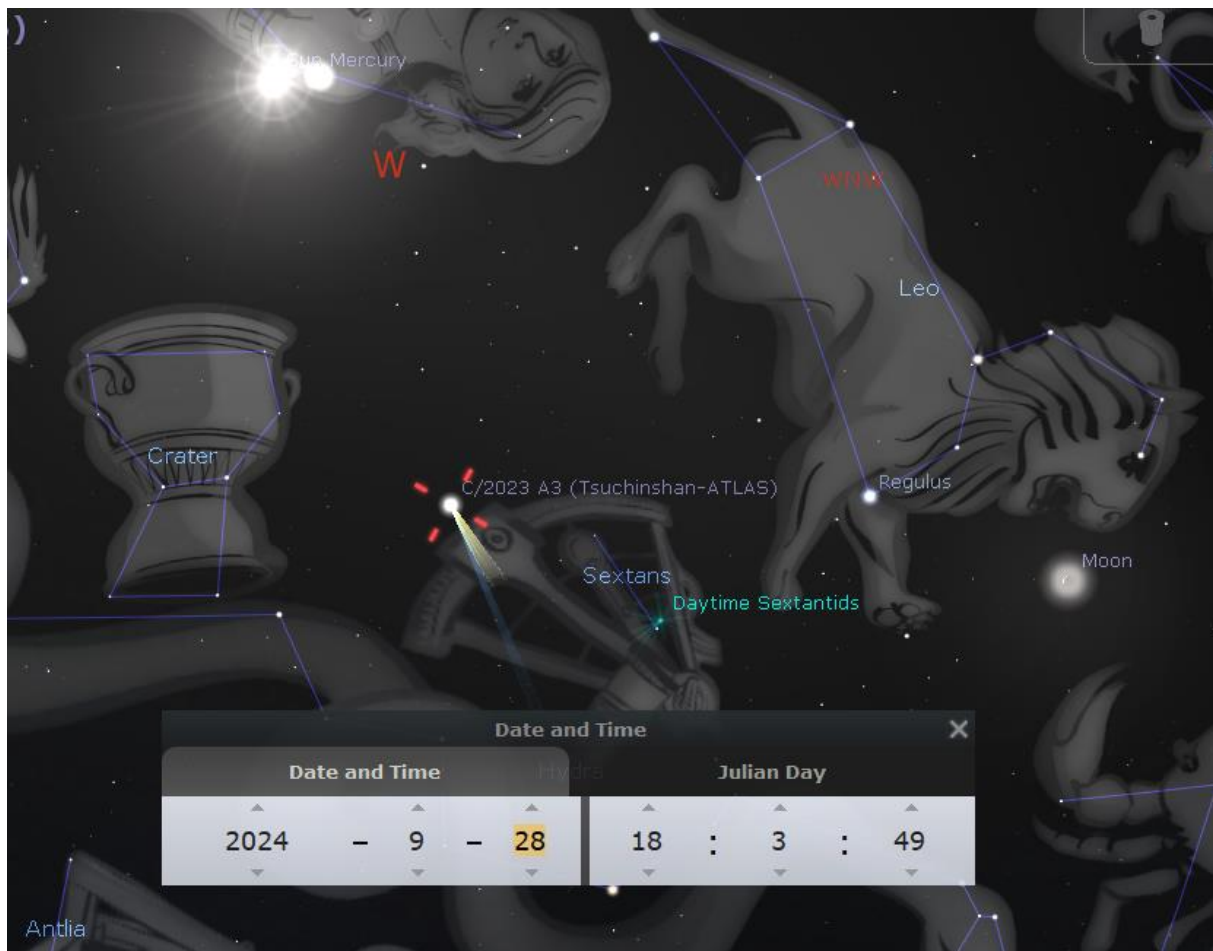

...Now, let's have a look at Revelation 4. John was called to 'come up here' so that he could be shown what must be. In other words, he's going to be given light; he's going to be given revelation. So, at this point in Revelation 4:1, we see John representing the movement of the manchild being caught up to the throne.

Verse 2 says 'immediately, I was in the spirit...' Once you've received the calling as the manchild to arise, there is a catching up to the throne to see from the throne perspective. And John starts to describe what he sees when he gets to the throne room and this is very significant.

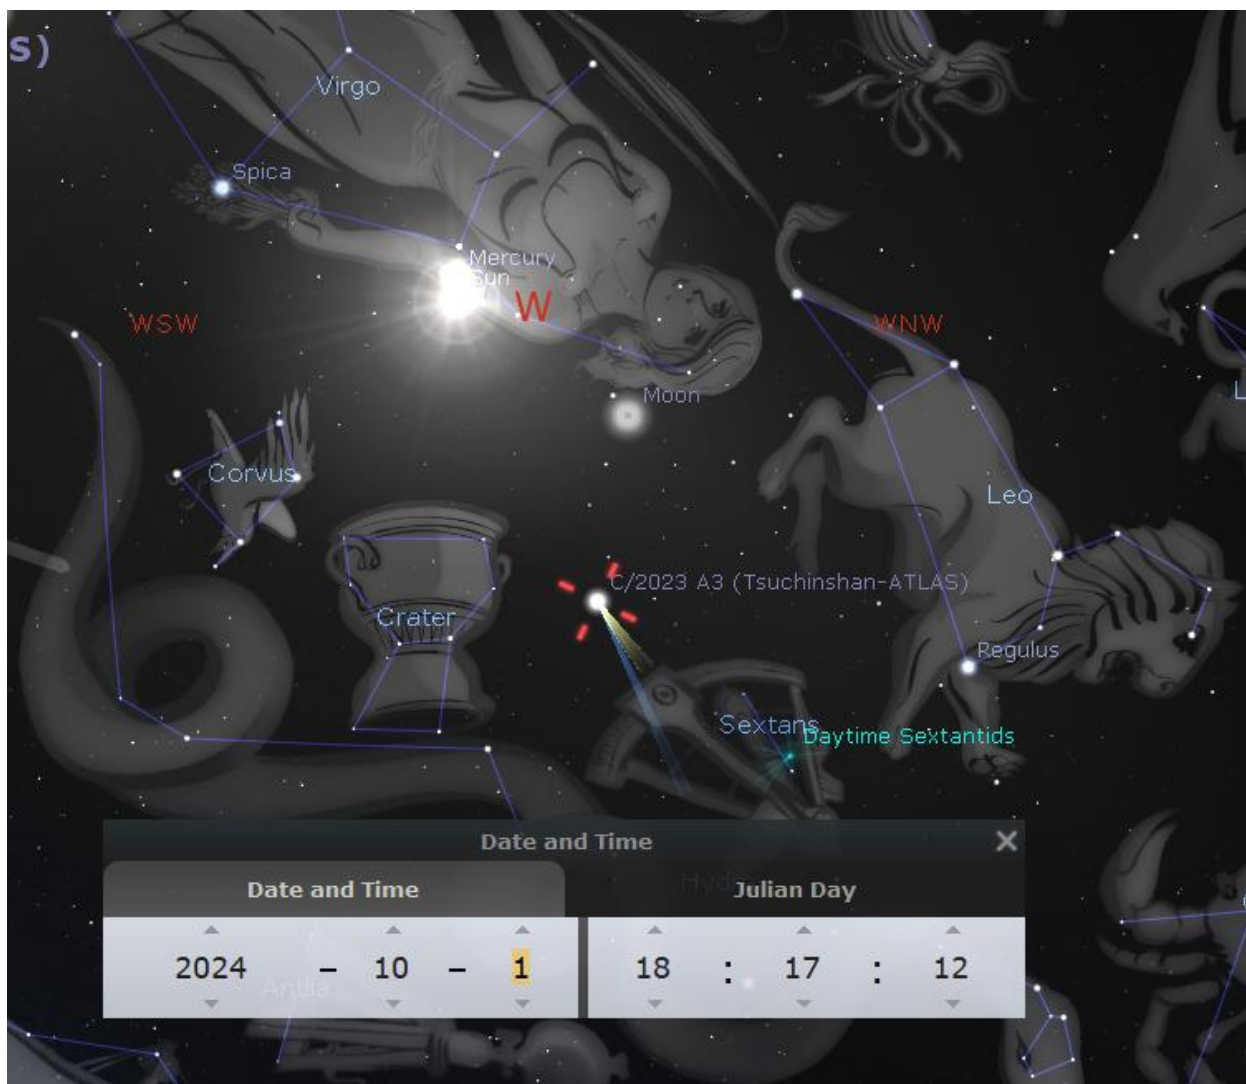

Rev 4:3 And he that sat was to look upon like a jasper and a sardine stone: and there was a rainbow round about the throne...

Now, that word for 'rainbow' in the Greek is also the word for iris. So therefore, the throne of God and its surroundings is mirrored in the human eye. There is a central portal or the pupil which transmits light, working with the mind of Him upon the throne, transmitting light, information and instruction; decrees and blueprints to the Body. Right around the throne, there is a rainbow (or you could say there is an iris). And then down in Revelation 4:5, it also says something very interesting – 'Out of the throne proceeded lightnings and thunderings' Now we know from things I've shared in the past, that the lightning and thunderings speak of the release of light and of sound; the release of revelation and the release of instruction. And not only is there lightnings and thunderings, there are also voices or sayings or languages. So, from the throne, surrounded by the rainbow of seven colors, there is light, sound and languages or communication proceeding or being released. And that is exactly what happens in the human body! Flashes of light are sent to the mind/brain with the communication or a voice being sent to the whole body via the nervous system as to how to react.'

Of course, RH 5785 on the Barley Calendar is about a month earlier than the Hillel Calendar and so, we need to look at where this comet is positioned as the Fall Feasts begin on the calendar used by the Tip of the Spear.. I discovered that the Purple Mountain comet remains in Sextans for the whole month of September (perhaps in a holding pattern) and then suddenly on 28th Sept, it shoots forth like an arrow from a bow. This is at the approximate date of the end of Tabernacles 9th day in Barley Calendar!! How very interesting! I have a short video which I can email to anyone interested, showing the comet's fast movement round this date, as it zooms towards the conjunction of Mercury and the Sun and then flips into the womb area of Bethulah (Virgo) and then exits the constellation.. You can see the tail on the comet as it leaves the place of the pupil of the eye in the image below.

Just a short comment on the ‘holding pattern during Tabernacles of the Barley Calendar – what could be happening in the ranks of the manchild company at this time? I will share more on this in part two as I look into the impartation of the seven spirits of God; the pleroma or fullness of the seven Spirits of God.

This 'arrow' from the bow' movement reminds me of the verse in Zechariah (remember the word for bow also means 'iris of the eye'):

Zec 9:13 For I have bent Judah for Me as a bow; I filled it with Ephraim. And I will stir up your sons, O Zion, against your sons, O Greece, and make you as the sword of a mighty man.

So, Zech 9:13 is also a depiction of the shooting forth of the Purple Mountain comet from the Sextans constellation! So, we now know that the Purple Mountain comet is also connected to Ephraim, meaning 'double fruit' and the Manchild Company is launched forth into battle against the enemy army. The sons of Greece depict those not led by the Spirit of God but led by the carnal mind of man, intent on feeding the appetites of the flesh and demons. The most important point to take away from this sign in the heavens is that the Manchild Company is launched forth BEFORE the beginning of 5785 on the Hillel Calendar. It is launched forth like an arrow towards a target in time with the end of the Earley Barley calendar Tabernacles!

Remember the sextant eye is focussed on the burning coals on the altar and there is a tipping out of these coals, the fiery messengers, in accordance with Rev 8:5. This is a depiction of the release of His messengers who are flames of fire.

Rev 8:5 And the angel has taken the censer, and has filled it from the fire of the altar, and cast it into the earth; and sounds and thunders and lightnings and earthquakes occurred.

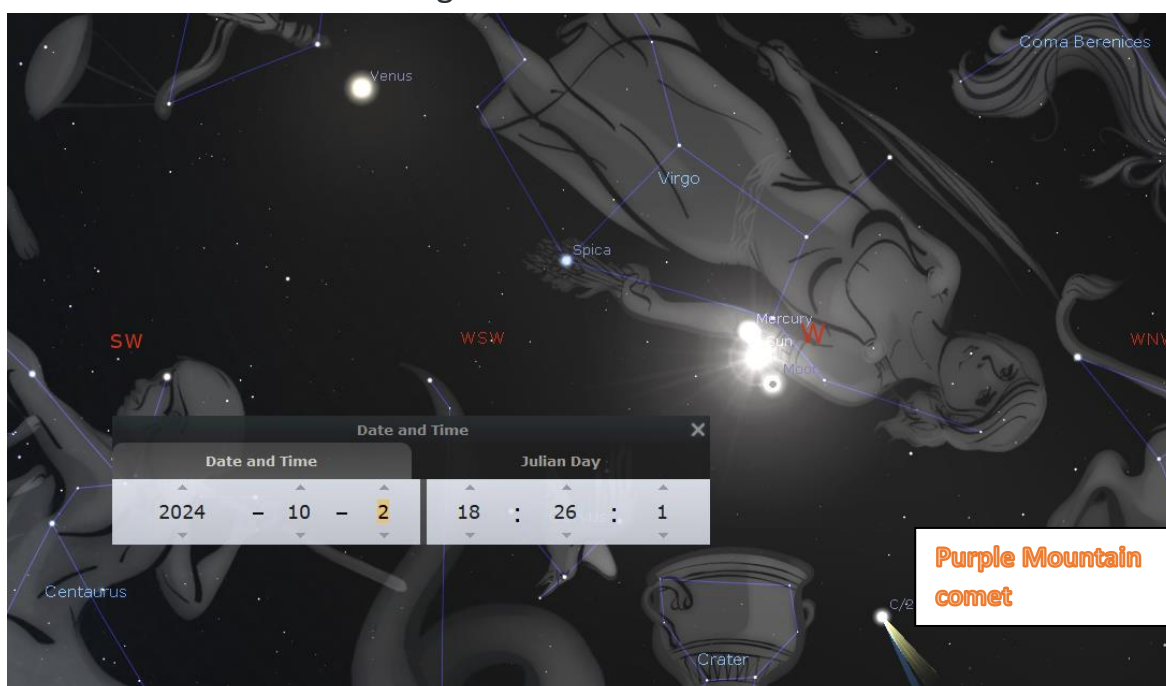

Psa 18:12 Out of the brightness before Him there broke forth through His thick clouds hailstones and coals of fire. Psa 18:13 The Lord also thundered from the heavens, and the Most High uttered His voice, amid hailstones and coals of fire. Psa 18:14 And He sent out His arrows and scattered them; and He flashed forth lightnings and put them to rout.

The stone that is hewed without hands is carved and shaped by the frequency of God's voice uttered before His army. The impartation of that sound ignites them and makes them flames of fire

Psa 29:7 The voice of the LORD divides the flames of fire.

That word translated 'divides' is a Hebrew word also meaning 'to cut or carve (wood, stone or other material); by implication to hew, split, square, quarry, engrave'. His voice quarries that stone. His voice hews it, shapes it and engraves upon it. I speak much of this in my Book of Endtime Fire, which can be downloaded free from my website.

The comet purple mountain is at its brightest on 2nd Oct and there is a conjunction of the sun, moon and Mercury at the elbow of Bethulah on this day. On that evening, Rosh Hashanah Hillel calendar begins.

The sun actually travels all the way down the left arm of Bethulah during September, moving towards Spica. The ancient Hebrew name for this star is Tsemech, meaning 'branch' and the Arabic name for it is Al Zimach, which also means 'the Branch'. HE will bring forth His servant, the Branch. This is His Melchizedek priesthood, operating in both a kingly and a priestly role.

Mercury is the messenger planet and the moon and sun are both descriptions of the Bridal Company, the Shulamite emerging from the wilderness of preparation:

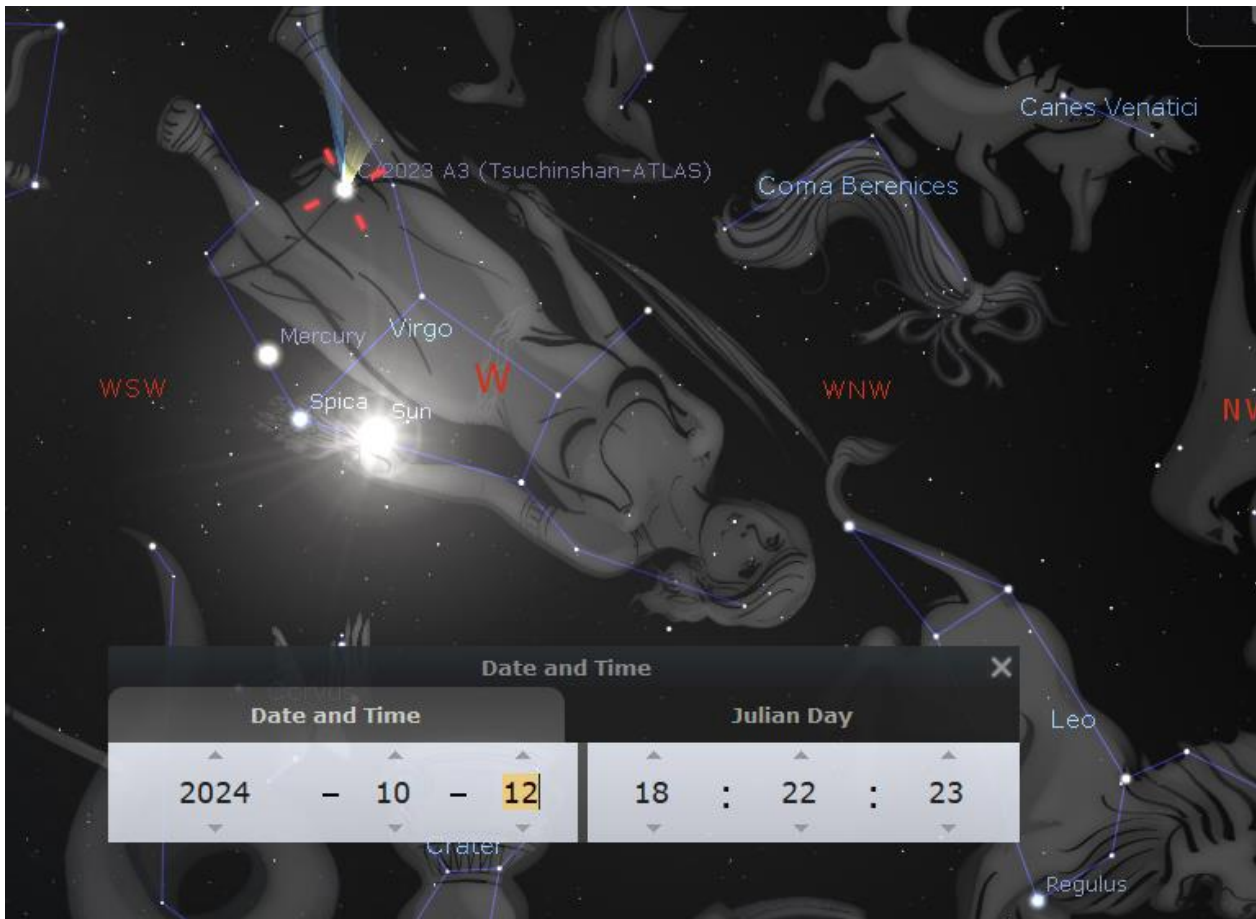

Son 6:10 Who is this that looks forth like the dawn, fair as the moon, clear and pure as the sun, and terrible as a bannered host?

On 8th Oct, the Purple Mountain comet has reached the arm of Bethulah where the sun is travelling down to the hand that holds the branch where the star spica is positioned! (see below). Could this depict the Manchild Company moving towards the gathering of the consecrated Bridal Company, in order to impart light and truth?

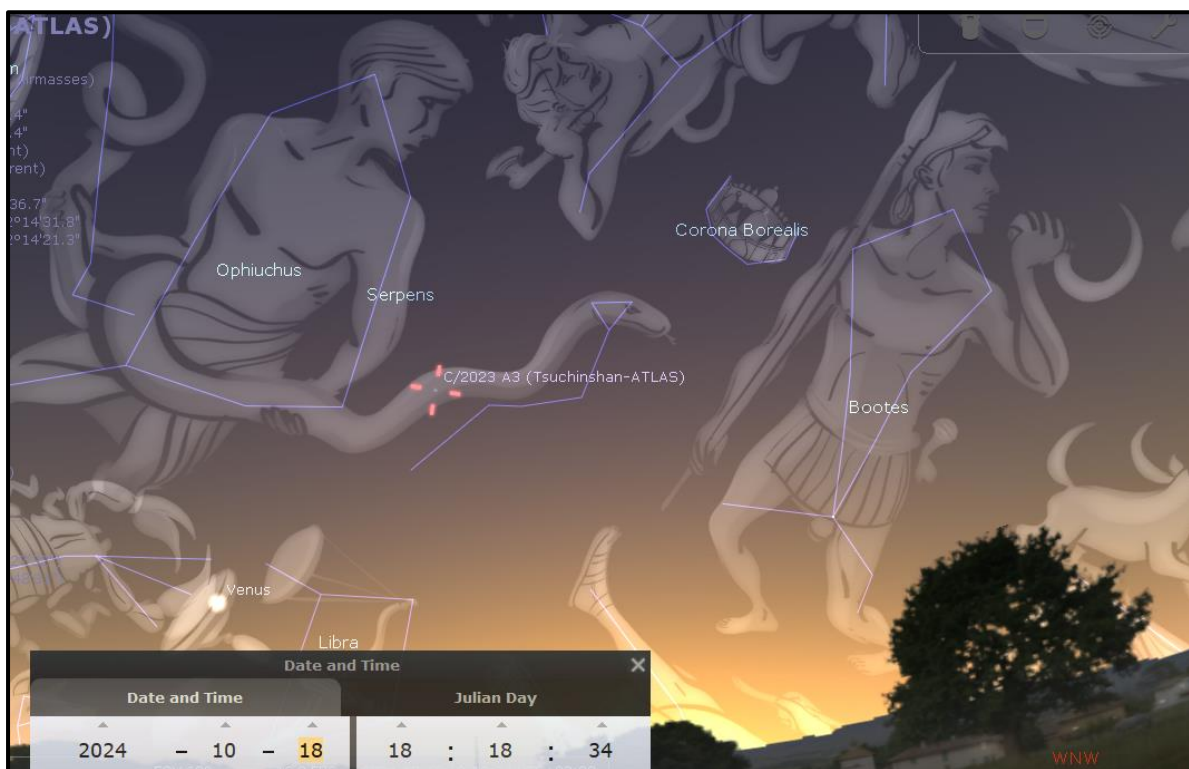

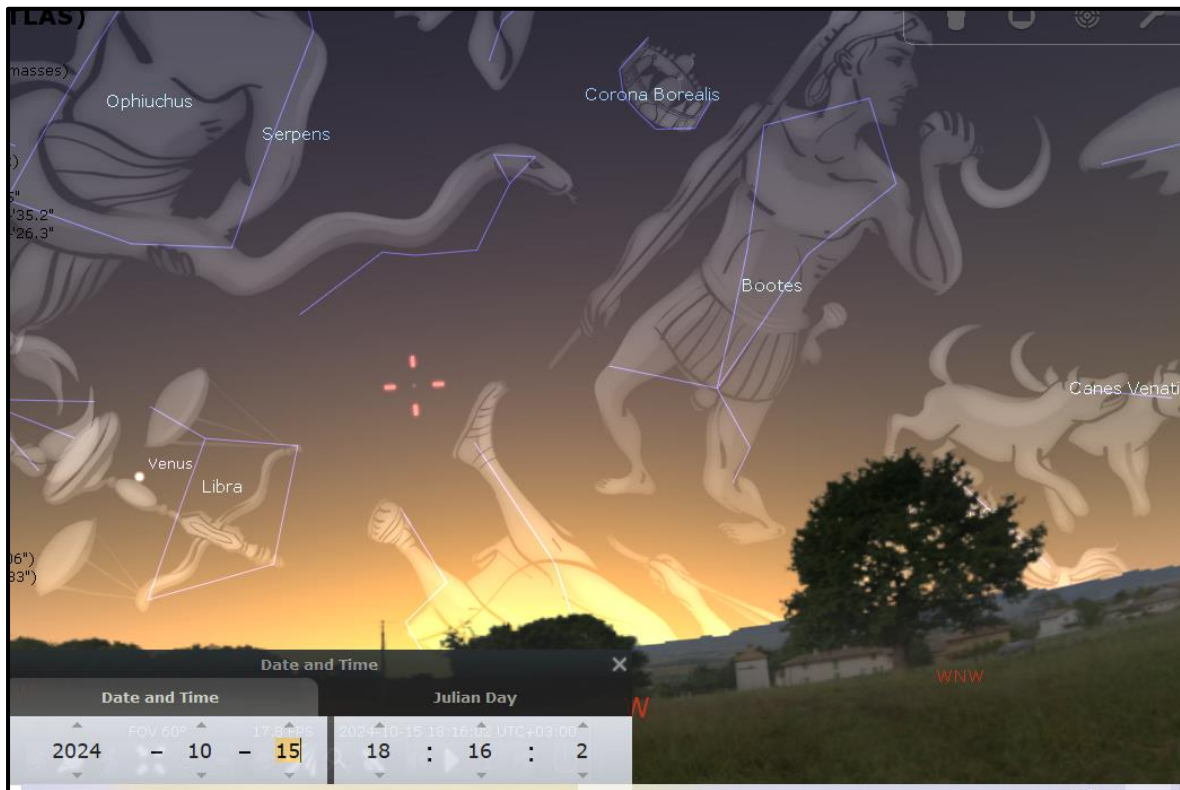

Then the comet moves through the womb of Virgo and out between her legs in the days following. I find this quite interesting as an alternative depiction of the birthing of the manchild company as Isaiah 66 describes.

Furthermore, Tsuchinshan–ATLAS will pass moderately close to Earth about two weeks after perihelion. If Comet Tsuchinshan–ATLAS lives up to its most optimistic expectations, it should put on its best show in 2024, between Oct. 12 — when it will pass closest to Earth at a distance of 44 million miles (71 million km) — and Oct. 19, when it will appear low in the west-southwest evening sky from 1 to 3 hours after sunset.

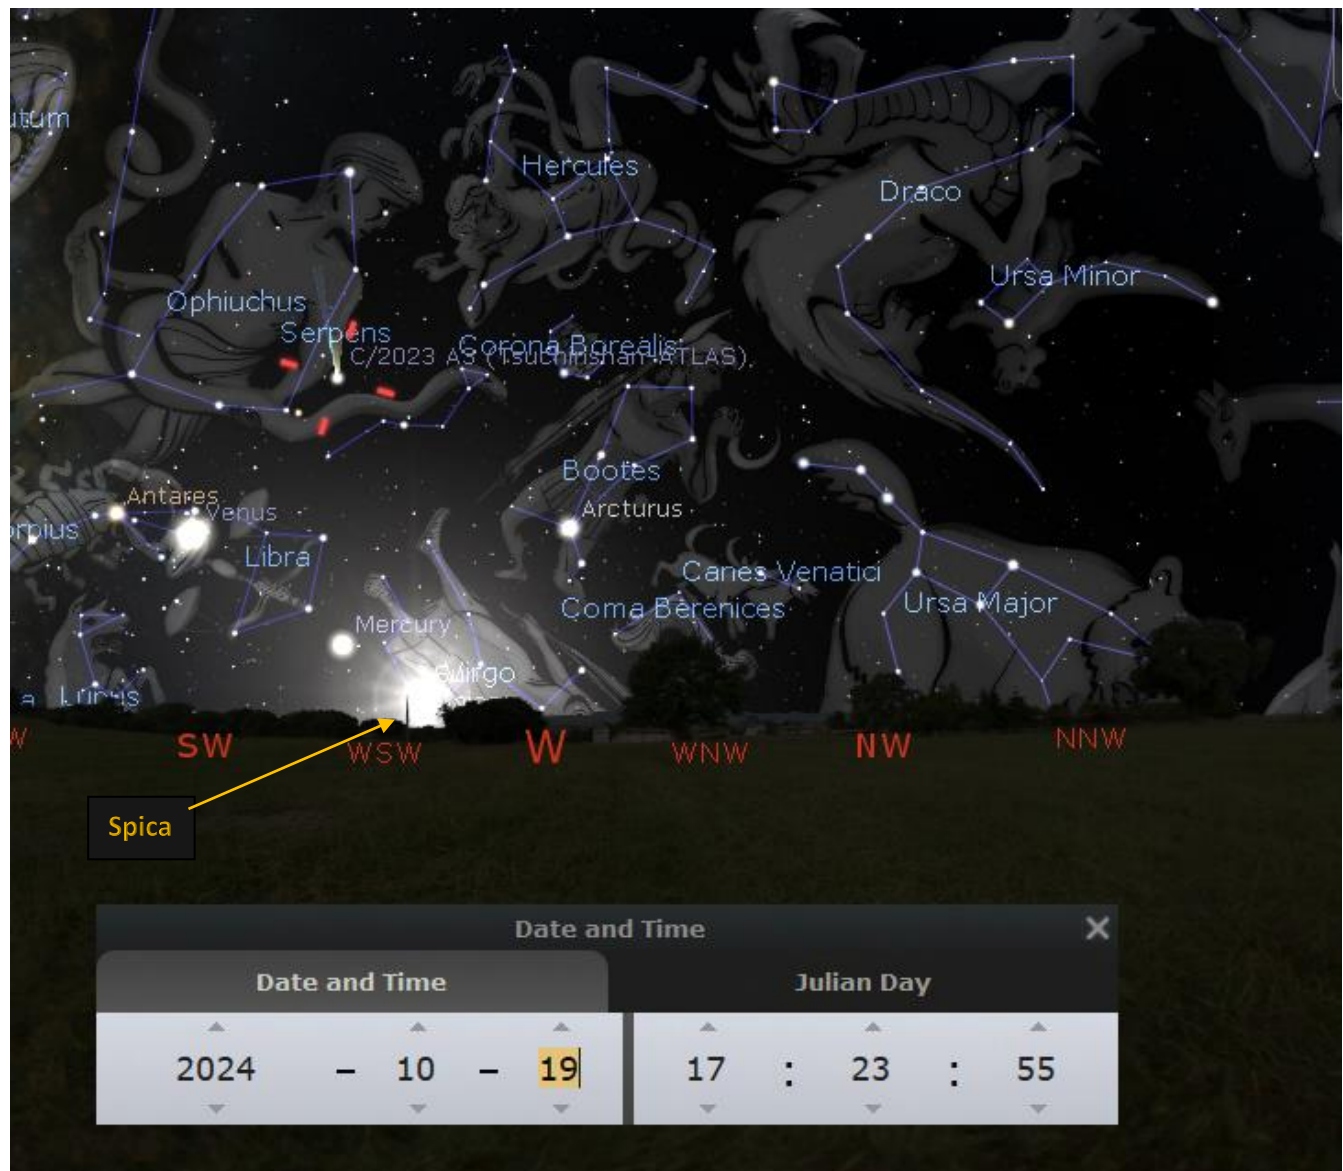

3 days later, the comet has moved and fully emerged and is headed towards the serpens constellation

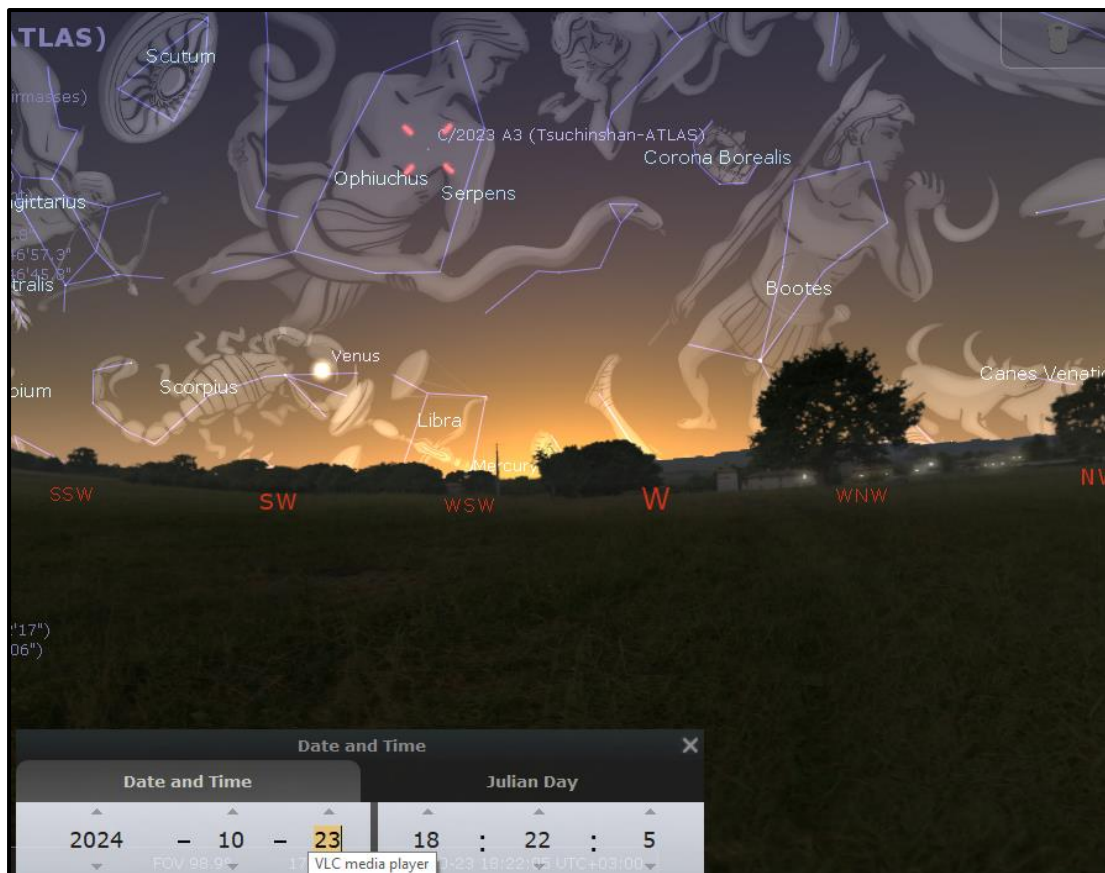

ON the 19th October 2024, which is the first day of Tabernacles 5785 in the Hillel calendar (and my birthday 😊), Spica or Tsemekh (the Branch) has a conjunction with the sun at sunset. So, this star named after the Branch is completely hidden and clothed by the glory of the Sun. This image from Stellarium is set on dark mode in order to see where spica is positioned right at the horizon, hidden in the glory. Is this a depiction of the glorification of the Melchizedek Priesthood Branch Company and an indication as to the timing of this event. I am not sure. I am aware that there is a

difference between IMBUING and ENDUING. The former speaks of an infilling and an increase of light within unto pleroma or fullness of the Spirit. Enduing alludes more to a clothing over, when mortal puts on immortality, as 1 Cor 15:53 speaks of. I am inclined to think that the imbuing may occur at Shavuot or Pentecost, as this is when the firstfruits of the Spirit was poured out and the enduing could be connected to Tabernacles which celebrates God dwelling in the midst of His people – but more of this in pt 2!

By 19th Oct, the comet begins to grow less bright, crosses Serpens and enters Ophiuchus constellation, the one wrestling the serpent ie. The Manchild enters into battle with dragon (Rev 12). On 23rd Oct, the purple mountain comet is positioned right over the heart of Ophiuchus, barely visible, hidden in the bosom of the Mighty Warrior Bridegroom. And yes, the battle rages, but it is a spiritual battle fought from a place of rest upon His breast.

By mid-December, Purple Mountain enters Aquila the eagle, where it remains for the whole month of January 2025.

So Beloved, as many dark and dreadful things begin to unfold upon the earth, we should not be taken by surprise. The dark puzzle piece must be set in place for a short time, but as for us – we are of a different Kingdom. As we have tracked the movement of the sign encapsulated within the Purple Mountain comet, let us remember the stone hewn without hands, carved and prepared by the frequency of His voice – a stone which will be used to destroy the statue from the feet up as Christ within us wars unto certain victory. We are not appointed unto wrath and have the incredible privilege of carrying within our earthen vessels the glory of God. Yes, we are frail, but the greatness of the power of the Aleph TAv is within us.

2Co 4:16 Therefore we do not become discouraged (utterly spiritless, exhausted, and wearied out through fear). Though our outer man is [progressively] decaying and wasting away, yet our inner self is being [progressively] renewed day after day. 2Co 4:17 For our light, momentary affliction (this slight distress of the passing hour) is ever more and more abundantly preparing and producing and achieving for us an everlasting weight of glory. 2Co 4:18 Since we consider and look not to the things that are seen but to the things that are unseen; for the things that are visible are temporal (brief and fleeting), but the things that are invisible are eternal.

Let us call upon the seven Spirits of God, as the manchild company, to enlarge the place of our tent, to increase our spiritual capacity to receive light and revelation truth, so that we may work, yoked and in tandem with the mind of Christ imparting to the Body what is so desperately needed. The eye and the brain work together to relay information to the Body. You remember with Jeremiah, God showed him something and then said, "What do you see?" And then He said, "You have seen well". Once clarity of spiritual vision is established, God begins to say, "This is what I will do..." Jesus said He only said what He heard the Father saying, did what He saw Him doing. So accurate sight is an incredibly crucial function in these end times for the Body of Christ. The man child company needs to be brought forth and elevated to a throne room perspective, to be called up and rightly positioned to see clearly what God is doing and to hear what God is saying. Then this information - the lightning, thunder and the voices can be communicated, filtered through the mind of Christ to the Body of Christ.

Matthew 6: 22, says 'The eye is the lamp of the body. So if your eye is sound, your entire body will be full of light'. The word for 'sound' in the King James version is 'single', it means 'clear'. To be 'single', clear sighted, you have to focus upon Him who is on the throne at this time. There are a lot of distractions in the earth at present, but for the sake of the whole Body of Christ, a manchild company is the lamp of the Body. So, in this season of darkness, we have to be single, we have to be focused. We have to fix our eyes upon Jesus and make it our mission to be totally surrendered to the movements of the seven Spirits of God, so that they can enlarge the place of our tent. We need more light, more revelation, more truth poured into our spirits for the sake of the Body. Matthew 6 tells us that when the eye sees clearly, the entire body will be full of light. And that word 'full of light' in Greek is 'photeinos'. It comes from the root word meaning 'full of light or fire'. Manchild company, in your watchman/seer function, you must focus! In your calling as the pupil of the eye, do not be distracted at this time. It's time to arise receive a garment of seven-fold fire. Lord, as the darkness deepens, we are your Branch company. Bring us forth, raise us up to the throne, be the glory in our midst and blanket us with Your fiery Spirits. And we may work the works of God in these days.
