

Pt 2 of Warning – Abominable Things Unfolding

Before I further address the red heifer sacrifice and its repercussions, I want to say, and I may be wrong, but I think the terrible attack on a Russian concert venue in Moscow, Russia is not only an attempt by the NATO alliance and Ukraine to push Putin into a nuclear war, but it is also an enormous blood sacrifice deliberately engineered by the elite in order to give power to satanic forces as the New World Order is ushered in. This is why the warning concerning the Easter weekend flood of attacks, which I gave in part 1, is so important. Could the concert venue slaughter be the firstfruits 'bloodletting' for want of a better word, engineered by the elites, which will be followed by a bloodbath of horrific crimes on a worldwide scale by Muslim extremists as they target those who do not serve their god? It is said that radical Muslims say 'first the Saturday people and then the Sunday people'... For those who can access it, [RT.com just released video](#) of interrogations of suspects, in which Telegram was mentioned as the tool for organisation of this attack. We can expect a call for control and monitoring of this social media channel in the days ahead.

Also be aware that the very cleverly timed release of the Princess of Wales' announcement that she has cancer ON THE VERY SAME DAY as the massacre in Moscow is probably intended by the elite to distract the public and garner a massive wave of support for the royal family and the House of Windsor, and specifically Prince William. Those who have been with me a while know why I consider this a significant development...

It is also possible that the whole period between the Shabbat of the Red Heifer and the Hillel Passover would contain the blood sacrifice intended to usher in the beginning of the Beast System of worldwide control. [Bill Gate's announcement](#) very recently that would need digital identity to function in society was not released randomly, but in order to announce the elite's soon-coming rollout of world control. This would mean that the great 3&1/2 year tribulation is literally at the door. Australia has signed a World Economic Forum (WEF) treaty that will see all major banks in the country close as citizens are forced to transition to a fully cashless society.

If I am correct concerning the blood sacrifice on a large scale, and the firelighter of the Red Heifer burning igniting murderous attacks on a worldwide

scale, then this would mean the next step of the dark plan soon taking place. I refer to the unveiling of the Man of Sin, undergirded by the 'wing of abominations' as Daniel 9 describes:

Dan 9:27 And he shall enter into a strong and firm covenant with the many for one week [seven years]. And in the midst of the week he shall cause the sacrifice and offering to cease [for the remaining three and one-half years]; and upon the wing or pinnacle of abominations [shall come] one who makes desolate, until the full determined end is poured out on the desolator.

When a bird arrives carried by its wings, there is a brief period of time between sighting (or recognizing) and landing on earth. Interesting that Daniel (:26 refers to a 'flood' and wars until the end... The word translated 'wing' is 'kanaph', which also refers to the 'wing' of a talit or prayer shawl. I have spoken of this in previous messages when referring to Ruth's morning watch meeting with Boaz. Remember 5784 was named the 'morning watch year' by the Lord when teaching me. The kanaph is used in the ancient Jewish wedding ceremony, when a life-long covenant is made.

The word 'abomination' also means 'idol' in both Greek and Hebrew. What is an idol? It is something one worships and attributes supreme power to instead of God. Harlotry on a physical level is when a married person sleeps with someone else other than their marriage partner – in other words breaking their marriage covenant. In the Old Testament, God also connected idolatry with harlotry, the breaking of the spiritual marriage covenant with His people. Covenant is sealed by the shedding of blood. In the case of the 'new covenant' referred to in Matt 26:28, it was Jesus' Blood which sealed and ratified it.

So Daniel 9:27 seems to also allude to the time of the enactment of a covenant and after 3&1/2 years, something or someone (or both) arrives that makes 'desolate'. This Hebrew word also means 'stun, stupify, astonish, be destitute, destroy'. The one participating in the setting up of the covenant is not necessarily the one who makes desolate, although this has been assumed by many. Daniel 9:26 says this:

Dan 9:26 ...And the people of the prince (a coming ruler) shall destroy the city and the sanctuary. And its end shall be with the flood, and desolations are determined, and war shall be until the end.

The word translated 'sanctuary' also means 'a holy place, saint', so could easily be referring to the slaughter of the people of God. "The end of what?", you may ask – the end of the second half of the 'week'; as the 3&1/2 years of desolation is brought to an end. This is the 'short time' the dragon has to rampage, according to revelation 12:12. Daniel 12 uses the word 'tribulation' in verse 1 and declares further on that this desolation involves destroying the holy people:

Dan 12:7 And I heard the man clothed in linen, who was on the waters of the river, when he held up his right and his left hand to the heavens and swore by Him who lives forever, that it shall be for a time, times, and a half. And when they have made an end of scattering the power of the holy people, all these things shall be finished.

I have often said that when the endtimes roll out, we will have to adjust our theologies in order to understand what on earth is happening. These puzzle pieces I am fitting together, if rightly linked side by side, would leave a vast swathe of the Body of Christ who believe in Pre-Trib rapture TOTALLY UNPREPARED for what will sweep them away. Of course, any person who does puzzles knows that often pieces look like they go together but as more of the puzzle gets done, some pieces have to be removed and put down in other places, replacing them with what actually IS the right puzzle piece.

On the 7th of January, 2024 during the 'banquet and blueprint' download, the Spirit referenced Easter as being the time of the release of the Dragon's flood. This is what I heard: "At Easter, **the idle church will be swept to destruction, but the watching ones will see and understand what is coming and warn and be led to safety**". Hearing that again in the light of what I shared in part 1 of the message, is beyond sobering if I am correct!

So what does 'swept away' mean? In my dream, it was depicted by portals opening on a mountain range and sweeping those in a valley away. Jeremiah 47:2 describes a vast enemy army as a 'flood' bent on destruction. Isaiah 28:2 describes a flood of mighty waters directed against 'Ephraim' and says it shall be cast down to the earth by hand. This makes me think of the Revelation 12 casting to earth of the dragon/satan. Its time for you to read that chapter again, without some long taught doctrines as a guideline or mental 'straitjacket'. It is said that the tribe of Ephraim settled largely in the UK and

America when the diaspora happened. Ask the Spirit of Truth to teach you. Jeremiah 47:2 describes an army from the north as a 'flood'.

Amos 9:5 also describes an enemy army as being like a flood. What is a flood like? It comes suddenly, unexpectedly and, area by area, sweeps away people and buildings in its path. When it has subsided, devastation and bedraggled remnant of survivors is a testimony to its unstoppable, destructive power.

For those of you, like me, who are still waiting for the Lord to open the door and make possible the journey to the 'place of refuge' prepared for the Bride, putting these puzzle pieces together is a shock to the system. If I am right, we have to trust what it says in the Word of God in Revelation 12, that the earth would open up and swallow the violent flood from the dragon's mouth, and that our faithful Father would again supply the 'wings of a giant eagle' to convey us to safety. Just as when He led His people out of Egypt, He will use miraculous means to protect and deliver those called by His Name. Remember this:

THE WATCHING ONES WILL SEE AND UNDERSTAND WHAT IS COMING AND WARN, AND BE LED TO SAFETY

With this understanding of Daniel 12:11 shared so far, the preceding verse is a description of what occurs during the desolation.

Dan 12:10 Many shall be purified and made white and tested. But the wicked shall do wickedly. And not one of the wicked shall understand, but the wise shall understand.

Daniel 9:27 tells us that the abomination that causes desolation occurs in 'the midst of the week' or halfway through 7 years and that at the beginning of this period of time, a covenant is 'confirmed' or strengthened, according to the Hebrew word used. The Abrahamic Accord was signed on Sept 15th 2020, which is 3&1/2 years before the Sabbath of the Red Heifer 2024. Another word for 'accord' is 'covenant or agreement'.

The word for 'covenant' here is 'zebach', meaning: sacrifice, the covenant sacrifice, the Passover'.

Jesus' sacrifice in the place where the red heifer was sacrificed dealt with the golden calf episode in the wilderness (Exodus 32). This calf was one of the gods of Egypt, named Hathor. Having been set apart for a marriage covenant with God, they then immediately committed spiritual adultery. At the real Mount Sinai in Saudi Arabia, there are depictions of the golden calf etched on the rocks.

Remember my message of the missing puzzle pieces? I believe the Holy Spirit is saying that only two puzzle pieces are still to be revealed in in what we can see and understand. They will be revealed and put into the big picture and then, all has been completed, so the remnant and the faithful watching ones have full understanding. I will share what I believe those puzzle pieces represent in part 3 of this message.
