

How to Send a Blessing in a New Season (Oct 2025 updated)

Precious saints,

As I explained in my recent podcast, after prayer, I decided to CLOSE MY PAYPAL ACCOUNT, even though it is the primary method readers have used to sow into my ministry or send a blessing. I apologize for the inconvenience, but do suggest you also pray about using this platform if you hold alternative beliefs to mainstream media views. Coming out of Babylon is now taking place on many fronts.

If you should be led by the Lord to sow, **PLEASE MARK YOUR DONATION AS 'GIFT'**. Below are the 4 platforms which work well, in order of speed and efficiency.

May you be led by the Spirit in all things!

In His service joyfully, always!

Christine

1. www.worldremit.com – This works efficiently and quickly and deposits straight into my bank account. All details you will need are below.
2. www.wise.com – I am registered on here as Christine Diane Beadsworth. This also works efficiently as it is an online wallet type of system, from which I can withdraw into my bank account.
3. [Western Union](#) – if you need a branch, it is the depot at Absa Bank, shop 28, Habitat Centre, Somerset West Retail Park, Western Cape, South Africa. ****PLEASE NOTE THAT WESTERN UNION REQUIRES YOU USE MY FULL NAME: Christine Diane Beadsworth. IF YOU ONLY USE MY FIRST NAME OR JUST MY INITIALS, THE BANK WILL NOT RELEASE THE FUNDS TO ME.**
4. [Send via international bank draft from your personal bank account](#)
Different countries ask for different information when doing international transfers.
SOUTH AFRICA DOES NOT UTILISE IBAN NUMBERS, ONLY SWIFT CODES.
