

And the He-Goats Will Fall ~ Transcript

Today is the 2nd of June, 2021. Last night I had a dream which featured a lot of water. It also emphasised a theme of coming judgment and in part of the dream, a group from the mainstream church was staying in a hotel. I went to speak to someone who was with them. And the ground floor of the hotel had been completely dug up. So there was a lot of dirt on the ground floor when I passed through and went upstairs to speak to the person. She said that the rest of her group were just busy doing a water spirit ritual to ensure protection as they left on their journey home. I was fairly horrified by that because these were supposed Christians, charismatic Bible-believing Christians. And all the way through the dream, I kept repeatedly hearing the number 50461. Then I woke up to a vision of a hand holding the neck of a witch dressed in black with a witch's hat on her head. And the hand was shoving the witch's face into a barrel of water, dunking her. And the Lord said, **"I will deal with those who deal in water spirits in My church!"** Now about three weeks ago, in the middle of the night, I surfaced and I heard the word "kelpies, kelpies, kelpies, kelpies," said over and over again. And then when I woke up in the morning, I looked it up and kelpies are water spirits that manifest as strong horses in the earth.

So at that time, I knew the Lord was warning me about an unleashing of water spirits and that I was to pray for protection against them and to cut off their works in the lives of the people that I've been praying for. So as I lay there in bed on 2nd June, the Lord continued to speak to me, **"Those who dabble in water spirits will no longer be tolerated in the halls of those who are named by My Name. I will not have my sheep fleeced and forced to drink muddied water any longer. The great he-goats will fall and the underbelly of their empire will be exposed."**

And as he said that, I saw a goat with large horns being turned on its back and its belly exposed, and there were strange symbols etched on its stomach, almost like a kind that archaeological digs unearth of previous civilizations. They weren't

Egyptian hieroglyphics, but similar to that. The sheep which had followed this great he-goat were standing stupefied around it with big round eyes – they seemed mesmerized. And then from way up on a hillside, I heard a flute playing. And somehow I

could understand the words that the melody was conveying as it was being played over the sheep. It said, "Come away with me, come away from Armana, come away from the lairs of the leopards, come to safety, come away!" and amongst the sheep still standing there, stupefied (it was a whole flock of sheep who were standing dazed around the upturned goat) here and there, one sheep raised its head and began to listen to the invitation on the wind. And then even fewer of those sheep with raised heads tried to move out of the flock of mesmerized sheep towards the edge. It was difficult. They were jostled and pushed by the sheep standing still, and some of them said rude and hurtful things to those leaving the tightly packed sheep. But the handful that responded to the sound of the flute music kept pressing towards the edge of the crowd. And they finally broke through and could run freely to the hillside from which the sound was coming.

The other sheep were still standing, gathered around the fallen leader, staring at his marked underbelly. And then a jagged cut began to appear in that belly, like a can being opened, and from within, a horde of worms spewed out. The sheep gasped and drew back in revulsion. And I could hear the phrase 'a can of worms'.

And then I was shown the scene from a higher perspective and I could see that the flock of sheep were packed into a valley between mountains – you couldn't even see a blade of grass because there were so many sheep. So this is a huge flock of sheep. And still they stood transfixed, even though the exposure of the contents of the belly of this great goat had been made perfectly plain. And a

rumbling sound began to fill the air. I looked towards the beginning of the valley and I saw a torrent of water, dark and menacing, Flood waters were rushing towards the sheep. They heard the sound, but it was as if they were unable to interpret it correctly and they did not know the danger they were in. And then the torrent rushed in and all I saw was churning waters. And afterwards I saw a scene in which the valley was now filled with water like a lake, and many dead sheep were floating on the surface. And then I heard a voice saying, "and this is because they did not love truth". And I knew that what I had witnessed was judgment in the House of God upon leaders who have ruled through witchcraft and water-spirits and that they had been exposed completely and toppled – yet, the strong delusion upon the sheep had kept them in formation in the congregation around their exposed leader. Very few had heeded the call to come away.

The deluge indicates that those who operate in water spirits will be judged with water (those sowing to the wind would reap the whirlwind). And again, the witch being dumped with her face in the barrel of water comes to mind. Perhaps water symbolises the Word of God which they claim to operate from and judgement will be issued according to the rightly divided Word...

I want to discuss the number I kept hearing, which was 50461, the Holy Spirit indicated there must that I must look up H504 and H61.

H504 means family.

H61 means 'truly and verily'

I had the sense that judgment is coming to the House of the Lord to reveal who are truly and verily His family. And there were very few of those sheep that escaped this flood water. I want to also read you the scripture that came to me as I was watching that flock of sheep and that great he-goat. It comes from Ezekiel, 34, from verse 17.

'And as for you, my flock, says the Lord God, I will judge between sheep and sheep and between the Rams and the great he-goats. Is it too little for you that you feed on the best pasture, that you must tread down with your feet the rest of your pasture? And to have drunk the waters clarified by subsiding, you must now foul

the rest of the water with your feet and my flock, what must they feed on – what your feet have trodden and drink what your feet have fouled. Therefore, thus says the Lord God to them. Behold, I Myself will judge between fat sheep and impoverished sheep and fat goats and lean goats, because you push one side and with shoulder and thrust with your horns all those that have become weak and disease and you have scattered them. Therefore I will rescue My flock and they shall no more be a prey, and I will judge between sheep and sheep and I will raise over them one shepherd and he shall feed them.

Even my servant David, he shall feed them and be their shepherd and I the Lord will be their God and my servant David, a prince among them. I, the Lord have spoken, and I will confirm with them a covenant of peace and will cause the evil beasts to cease out of the land. And my people shall dwell safely in the wilderness and sleep confidently in the woods. And I will make them and the places around my hill a blessing. And I will cause the showers to come down in the season.'

I looked up the word for he-goat, and it says (Strong's H6260) 'full grown, Leaders of the people chief ones'. So we see the judgment is coming by exposing the underbelly of the empire of leaders of great flocks that have been operating in water-spirits, not in the true Spirit of the Living God, and they will be severely exposed in stages. First, they will be overturned; their underbelly will be seen with all the strange symbols (what is really going on underneath the surface show) and what comes to mind, I think it's in Ezekiel eight and nine, God took Ezekiel into the temple and there were all these strange symbols inside the holy place. And this is Ezekiel digging into the wall of the temple into the holy place:

'And the Lord said to go in and see the wicked abominations that they do here. And I went in and I saw pictures and images of every form of creeping things and loathsome beasts and all the idols painted round about on the wall. And He said to me, son of man, have you seen what the elders of the House of Israel do in the dark? Every man in the chambers of his imagery. For they say the Lord sees us not...'

'The chambers of his imagery' – that's in the mind. So God is judging for the sins of the mind, the hidden sin in the leaders, and also there's judgment coming to the sheep who have not loved truth and have allowed themselves to be mesmerized by these leaders operating in water-spirits because they have no love of the truth.

Concerning the flute playing on the hill, the word for flute (in Aramaic I think it is), means 'pierced one' and therefore that sound of the flute playing is the sound of the Pierced One, Yeshua Jesus, calling His sheep to come away; to come out of great deception, to come away with Him and to flee the judgment that is coming upon Babylon. There is also another scripture in Zechariah, it says:

'The household idols have spoken vanity and futility and the diviners have seen the lie and the dreamers have told false dreams they comfort in vain. Therefore, the people go their way like sheep. They are afflicted and hurt because there's no true shepherd. My anger is kindled against the shepherds who are not true shepherds. And I will punish the goat leaders. For the Lord of hosts has visited his flock, the house of Judah, and will make them as his beautiful and majestic horse in battle.'

So that's a call to come away. We see this in numerous scriptures; it's in Revelation 18:4, 'I heard another voice from heaven saying, Come out from her, My people, that you may not share in her sins, neither participate in her plagues. For her iniquities or piled as high as Heaven. And God has remembered her wickedness. Repay to her what she herself has paid and double in accordance with what she has done. To the degree that she has glorified herself and revelled in her wantonness, to that measure, impose upon her torment, anguish, tears and mourning'.

So God is calling His people to come out once again, come out of Babylon, come out of the place of strong witchcraft. In many, many sectors of the so-called Charismatic and Pentecostal type churches, there are water spirits operating through the leaders. One in particular I know of is TB. Joshua in Nigeria, who

operates in strong witchcraft through water-spirits. These spirits are extremely powerful. Those who are steeped in the occult in Africa actually go into the sea and stay under the water by demonic power in order to be empowered by water-spirits and come out again.

So, this is a thing that God is calling into judgment. And at this time, and he's going to expose because judgment begins with the House of God. He is going to expose those goat leaders.... so-called Christians in the Body of Christ who are operating in water-spirits. And there will be few sheep out of their congregations who actually break free and recognize the voice of the Shepherd, and that's the tragic thing. The word of God says that My sheep hear My voice and they will not follow the voice of another. But obviously from the scene I saw, there are those who believe they are sheep, but they do not recognize the voice of the True Shepherd, when it comes and calls them urgently to safety, because the Flute Player knows the judgment is coming and He takes no pleasure in the death of a dying man. He wants to give one last call for the sheep who are mesmerized and controlled by witchcraft to come out. And His warning is strong and heartfelt. The sound coming from the Hill is a heartfelt call from a loving God to come away. Come away, come away, come away. Jeremiah, 51, also says the following:

'Flee out of the midst of Babylon! Let every man save his life! Let not destruction come upon you through her [punishment for] sin and guilt. For it is the time of the Lord's vengeance; He will render to her a recompense.'

Let's look in Song of Songs, those verses that the Lord mentioned about coming away. We see the first call to come away is in Songs 2:10

'My beloved speaks and says to me, 'Rise up My love, My fair one and come away, come away'. So she went with Him and in the cliffs of the rock He said, 'Let me see your face and hear your voice.'

And then again, Songs 4:8:

'Come away with Me from Lebanon, My bride, come away with Me, (Lebanon is where Mount Hermon is and Mount Hermon is where the fallen angels made landfall when they were turfed out of Heaven for rebellion, they came to Earth on Mount Hermon), come away with Me from Lebanon, My promised bride, come with Me, depart from the top of Armana, from the peak of Senir and Hermon, from the lion's den and from the mountains of the leopards'.

And God specifically mentioned Armana, which is a mountain near Damascus. And the word Armana comes from a root word, meaning 'a covenant'. So He's calling you away from covenant's you've made with water-spirits. He's calling you away from the mountains of the leopards. The word 'leopard' is 'nomad', and it means 'to spot or stain as if by dripping'. We have to cleanse our garments, so that we have the right to enter through the gate and to eat of the fruit of the tree of life.

So that's a very sobering vision that I saw, but I did want to share it with you because it is so important to recognize the voice of the True Shepherd, to recognize the voice of the Flute Player. So bless you, my brothers and sisters. Pray for those you know that are under witchcraft and delusion in congregations with the strong he-goats, where they feel that they've covenanted with them. Many of these large fellowships, the pastors call it 'serving the leader's vision', but they almost go into covenant with them when they sign on as members – and that covenant stands in the spiritual realm. And the people are practically cursed if they leave the congregation and accused of going into error. If that leader is operating in water-spirits, then that person has covenanted with water-spirits and may be being visited by water-spirits.

And we see it with many people who believe that Jesus told them they must take the shot in the arm. Now they're listening to another Jesus! Yeshua, Jesus, the Lamb of God who was slain before the foundation of the world, would never tell you to take something into your body, His temple, that would defile it and make Him withdraw from it. He would never tell you that. That is not the voice of the Jesus, the true Yeshua. And so many people believe that they're listening to the

voice of Jesus, but they're actually listening to a counterfeit (waterspirits). There's been a sharp increase in the unleashing of water-spirits in the earth in this time, to work along with the strong delusion that is coming. But the heart of God is calling for His people to come away with Him, come away from the covenant you've made, come away from the counterfeit, come away, come away!

When you pray for these people. There's a scripture in Ezekiel 13, which speaks of judgment on the false prophets. Use this in your prayers for the people you know that are trapped in these congregations with these leaders that are holding their people captive through delusion and manipulation, control, witchcraft and water-spirits.

'My hand shall be against the prophets who see empty, false and delusive visions and who give lying prophecies, they shall not be in the secret council of My people, nor should they be recorded in the register of the House of Israel. (He's talking about the book of life here – their names will not be there.) And you shall know and understand that I am the Lord. Because they have seduced My people saying peace, when there is no peace. Say to them, who dab a flimsy wall with whitewash, it shall fall. There shall be a downpour of rain and great hailstones (that's judgment) and a violent wind will tear it apart and there shall be an overwhelming rain in My anger and great hailstones in wrath to destroy that wall. And I will break down the wall that you have daubed with whitewash and bring it down to the ground so that its foundations will be exposed. (That's the same thing as the underbelly of the he-goat leader being exposed and opened up so you see the can of worms inside).... And you, son of man, set your face against the daughters of your people, who prophesied out of the wishful thinking of their own minds and hearts, Prophecy against them and say thus says the Lord God, woe to the woman who's sews magic protective charms to all wrists and deceptive veils upon the heads of those to hunt and capture human lives. Will you snare the lives of My people to keep your own selves alive? You have profaned Me among my people for handfuls of barley and pieces of bread (In other words, for income, the handfuls of barley are coming from offerings from the people) slaying persons who should not die and giving a guarantee of life to those who should not live by

your lying to My people who give heed to lies. Therefore, this is the Lord God, I am against your pillows and charms and veils with which you snare human lives like birds. And I will tear them from your arms and let the lives you hunt go free; the lives you are snaring like birds and your deceptive veils also will I tear and deliver My people out of your hand and they shall no more be in your hand to be hunted and snared. And then you will know that I am the Lord. Therefore you will no more see false visions and practice divinations and I will deliver my people out of your hand, then you will know that I am the Lord.

Remember the number 50461 'Verily and truly, this is My family'. The Lord is saying His family will be revealed by those who come out of her and come away with Him and then judgment will fall. It is like Lot and of Sodom at thrust out of Sodom at the last minute before judgement! Judgment begins at the House of God. May the Lord bless you and increase revelation and wisdom and truth as you pray into these things that I have shared with you today.
