

Blood for Blood

This word was received on the 21st June, the day of the occult celebration of winter or summer solstice, depending on where you live - a rather auspicious day for God Almighty to speak judgement upon works of wickedness. It is no coincidence that the word God spoke to me on the previous day concerned conception of a righteous remnant seed in the womb; seed He had been preserving for this season. In contrast, today's word addresses the murder of the innocent in the womb. Just as Samuel was conceived, born and installed in the temple before the judgement upon an unrighteous priesthood was executed as decreed, so too God has seen fit to speak of the bringing forth of children of light before dealing with the topic of dealing with the workers of iniquity.

As I received the word, I sensed He was addressing the nation of America (and the beginning stages of what He describes has been reported as taking place in the autonomous zone in the middle of Seattle), but every other nation where this abominable practice of abortion is taking place would do well to note God's anger and consequential decree of judgement, and cry out in repentance to somewhat reduce similar judgements in your own nation. The Lord of Hosts is exceedingly patient and longsuffering, wanting none to perish, but all to come to repentance. He waits and waits, while horrendous deeds of darkness are being perpetrated, giving time for souls to turn from darkness to light. And then, one day, the season of patience is over and the God of Justice decrees recompense rollout according to what has been sown. If this is not a thought that fills your heart with the fear of the Lord, then I dare to say that it has become dulled by the deceitfulness of sin and ensnared

by the pleasures this world has to offer. Please also take the time to read a [poem on Abortion](#), inspired by the Spirit, which I wrote many years ago, the lines of which still pierce my heart even now.

There is a lot of static in the prophetic atmosphere at present with a substantial sector of the so-called church spouting forth soothing words to the saints; telling them that everything is going to be just dandy and only sunshine and roses await them. This is not true. The Word of the Living God tells us there will perilous times in the last days, difficult to deal with and difficult to bear (2 Titus 3:1). Yes, those who really know their God will be strong and do exploits and the Lord promises to protect His remnant, whom He certainly knows by name, but there are many who will say they ate in His presence and listened to His teachings to whom He will reply that He does not know them (Luke 13:26)... Scary, very scary... And concerning the Baal prophets of the modern day who have neglected to call His people to repentance, He has this to say:

Jeremiah 14:13-15 ~ "Ah, Lord GOD!" I replied, "Look, the prophets are telling them, 'You will not see the sword or suffer famine, but I will give you lasting peace in this place.'"

"The prophets are prophesying lies in My name," the LORD replied. "I did not send them or appoint them or speak to them. They are prophesying to you a false vision, a worthless divination, the futility and delusion of their own minds. Therefore this is what the LORD says about the prophets who prophesy in My name: "I did not send them, yet they say, 'No sword or famine will touch this land.' By sword and famine these very prophets will meet their end!"

Enough said. On the 20th June, in the morning, the Lord said to me, "The spirit of murder and assisted suicide begins in the womb," and as He said this, I saw images of saline injections introduced into the amniotic fluid supporting a growing foetus. I also saw scenes too gruesome to describe in detail; suffice to say an unborn child was trying to escape the suction tube intent on tearing it limb from limb. It was horrific. Obviously God was saying that the spirit of murder is at work during abortion and assisted miscarriage. Here below is the word I received on 21st June 2020. I can hardly bear to type the words, but it must be released for He has spoken and if I do not warn, blood will be on my hands:

He picked up on the topic He had broached the day before concerning the spirit of murder: "And now the spirit they opened the door to will march in the streets. Did they not kick down the door of the hallowed wombs day after day and terrorize the inhabitants thereof? Did they not assault and torment and cleave the limbs of My precious ones asunder? And now I say ENOUGH! They cry to Me to stop the marches of the Lucifarians past their doors but did they not open the door to the one who was a murderer from the beginning? Just as I have had to suffer the heartrending silent screams of those conceived to bear My glory, year after year, now they too will have to bear the screams of their children as the murderers invade their hallowed space. Just as they plundered the storehouse of the womb for profit, so now their homes will be plundered. You may pray but the judgement is set. Only the Blood of the Lamb without spot will speak a better word than the roar of the blood of the slain unborn.

You opened the door wide to the Destroyer with your Planned Parenthood and your heartless sacrifices to Molech, ignoring My prophets and censuring those who dared to speak out for those who could not speak for themselves. You change channels to protect yourself from that which distresses you, but generation after generation, the screams of the innocent have assaulted the gates of Heaven and pierced My heart. Now your gates will be assaulted. You march for justice for lives which you say matter - and justice you shall have, an eye for an eye and a limb for a limb, because you have scorned My Provision for Mercy. You have denigrated and closed down My Truth speakers. You have said, 'I will not abide by the DNA You have chosen for me. I will choose my own gender and rule my own life and make my own choices'. You will not look to Me as the Author of life and you will not honor My sovereignty. You smash at every turn the mirror of the image I ordained for you to bear. So now I will not hear your cries for help. Nor will I answer your cries for mercy. You build monuments to the Destroyer, great edifices where you market the meat of My innocents, and now the Destroyer comes, unleashed to have his way. Only those who shelter under the Blood of My Son shall be spared in the dark night of the Destroyer. Only those feasting on the Lamb and watching for My return will be passed over."

Then I see a person lying on a table and the contents of the womb are cast on the floor. I see the adult-sized spirit appointed that child rising heavenwards and the floor and the walls are red with blood. I also see the grim reaper standing in the corner. Then I see people marching in the streets with fists raised and then a wave of blood rolls through the streets, covering them all.

The Lord continues speaking: "You have turned on your children before they could speak one word. And now, your children will turn on you. You have betrayed the trust of those sheltered and growing beneath your own hearts and now your hearts shall be pierced by the betrayal of your sons and daughters. You have not honoured Me as your Father and now they will not honor you. Lawlessness will walk the streets of those who would not love My laws. And the door you opened wide will usher in the one you did your blood sacrifices to. You would not call Me King nor bow at My feet. So now a king comes and he will rule with ruthlessness. Know this - suffering comes; suffering of body and suffering of soul. How long have I cried out for you to repent and turn from your wicked ways? But you would not. You would not call Me Father, now the one who is your father comes..."

Then I am shown the sons of Eli plunging their 3-pronged hooks into the pot that contains the flesh that is holy to the Lord. It is shaped like the womb of a woman. I see them steal limbs from that pot without conviction of sin, and then turn and sleep with the women that come to serve at the temple gates. And I know that this sin of murdering the innocent and flagrantly continuing in sexual sin is also found among the ranks of some of the men who call themselves priests of the Lord... And I remember God's anger at Eli, who was made aware of the sin of his sons, but did nothing to stop them. And I saw that these same sons would go out to battle with the army of God's people, presumptuously bearing the ark of His presence upon their sin-soiled priestly garments. And I saw them slaughtered in battle. And I understood that God would be unleashing a cleansing

among the ranks of those who identified themselves as men of God. And that He had already installed a faithful priesthood, young and pure in His temple...

Selah

Psa 106:37 Yes, they sacrificed their sons and their daughters to demons Psa 106:38 And shed innocent blood, even the blood of their sons and of their daughters, whom they sacrificed to the idols of Canaan; and the land was polluted with their blood.

Pro 6:16 These six things the Lord hates, indeed, seven are an abomination to Him: Pro 6:17 A proud look [the spirit that makes one overestimate himself and underestimate others], a lying tongue, and hands that shed innocent blood,

Exo 21:22 And if two men strive and smite a woman with child, and her child be born imperfectly formed, he shall be forced to pay a penalty: as the woman's husband may lay upon him, he shall pay with a valuation. Exo 21:23 But if it be perfectly formed, he shall give life for life, Exo 21:24 eye for eye, tooth for tooth, hand for hand, foot for foot, Exo 21:25 burning for burning, wound for wound, stripe for stripe.

Amo 1:13 *Thus says the LORD; For three transgressions of the children of Ammon, and for four, I will not turn away the punishment thereof; because they have ripped up the women with child of Gilead, that they might enlarge their border: Amo 1:14 But I will kindle a fire in the wall of Rabbah, and it shall devour the palaces thereof, with shouting in the day of battle, with a tempest in the day of the whirlwind*

Jer 14:7 O Lord, though our iniquities testify against us [prays Jeremiah], deal and work with us for Your own name's sake [that the heathen may witness Your might and faithfulness]! For our backslidings are many; we have sinned against You... Yet You, O Lord, are in the midst of us, and we are called by Your name; do not leave us! Jer 14:10 [And the Lord replied to Jeremiah] Thus says the Lord to this people: In the manner and to the degree already pointed out have they loved to wander; they have not restrained their feet. Therefore the Lord does not accept them; He will now [seriously] remember their iniquity and punish them for their sins. Jer 14:11 The Lord said to me, Do not pray for this people for their good. Jer 14:12 Though they fast, I will not hear their cry; and though they offer burnt offering and cereal offering [without heartfelt surrender to Me, or by offering it too late], I will not accept them. But I will consume them by the sword, by famine, and by pestilence.
