

The Lord has continued to add understanding using visions and dreams in the last few days. On 16th May, I dreamed that when someone tried to use the pump action of a hand sanitizer dispenser, it wouldn't work. When I opened it up and investigated, I discovered that there were worms blocking the spout of the dispenser and I saw the sanitizer had curdled and gone mouldy. Immediately the manna in the wilderness came to mind. Any left over for the next day was unusable because it had worms in it. I was given understanding that the cleansing methods employed on the previous day would be of no use in the next day that unfolded. I understood that the sanitizer referred to the period of battling the coronavirus. Whatever was coming next had to be tackled in a different way. As I saw this whole scene with the dispenser and absorbed its meaning, I then heard a statement: "You must be baptised" and after a pregnant pause during which I wondered what the connection was, again I heard the voice say, "Ask Phillip." I remembered that Phillip had encountered the eunuch and explained the scriptures to him and afterwards baptised him. And then, intriguingly, the Spirit had translated Phillip somewhere else to complete his next assignment.

I woke up soon afterwards and the Holy Spirit began to emphasize that the only way to be saved from what was coming would be to move from the kingdom of darkness to the kingdom of light; to repent and be baptised by total immersion. The washing of hands to remove uncleanness and infection would be of no effect. I remembered the earlier dream in which I had seen the man with the megaphone standing on the shore during a terrible storm and shouting, "Flee to the Name of Jesus. There is no other name under heaven by which men may be saved."

A little later, the armour of God was brought to mind and I saw a saint dressing for the day and putting His armour on. When it came to the belt of truth, I saw him put on what looked like a tool belt, which had different handiman tools hanging from it. The Holy Spirit began to explain to me that each of these tools represented a

particular scriptural truth which would be used for the assignment of the day. He emphasized that I needed to brush up on the relevant scriptures about salvation and baptism, because I needed to have them at my fingertips, just like tools in a tool belt.

Mar 16:15 And he said unto them, Go ye into all the world, and preach the gospel to every creature. Mar 16:16 He that believeth and is baptized shall be saved; but he that believeth not shall be damned.

He continued to dwell on the story of Phillip and as I looked it up, I noticed that first thing in the morning, Phillip received instructions to go to a certain place. He was not told what would happen there. When he arrived, the next part of the blueprint was shown as he was told to join the man in the chariot that was going past. You can read the story in Acts 8:26-40.

Suddenly the Father whispered, "Translation will be commonplace in these days. For every soul taken by corona virus, I will take two out of Babylon and into My kingdom," and immediately before me, I saw a vision of millions of people crossing the Red sea and there was a line of Blood separating them from Egypt, which I knew represented Babylon & the world system. The scriptures concerning being baptised into Jesus' death and resurrected to new life flowed through my mind.

I was overwhelmed with the grandeur of God's plan as He began to put the puzzle pieces together for me. He connected the call-up of the fighter pilots in my dream of the previous day with the question Isaiah heard, "Who will go for us?" and as I saw throngs of people present themselves willingly in the day of His power, saying, "Here I am, send me!"(Psalm 110). I saw that He had represented these willing people as fighter pilots because they would be literally be

flying, as the Spirit translated them to their assignments for the day, just like Phillip. Furthermore, the mass deployment of fighter pilots would be to bring in the harvest and bring about the mass exodus of souls from the world system - right under the noses of those intending to destroy multitudes in their quest to control and subjugate the world population.

This IS the last great harvest; the fighter pilots are fighting for souls, intercepting them on their paths and bringing them the gospel of Jesus, Who is the Truth and baptizing them into the kingdom. Souls will be plundered from satan's grasp on a massive scale and a their baptisms will mean a literal Bloodline is drawn in the Spirit, separating them from the world system as the Lord claims them as His own. Satan has a plan to implement his mark of ownership on mankind to enslave them to himself. But God sits in heaven and laughs because His genius plans mean that vast numbers of souls will be harvested before that scheme can be fully rolled out. By using the translation of His harvesters from one place to another, the ability of the powers of darkness to track and impede the rollout of Kingdom plans will be completely thwarted. The enemy will never be able to work out where you are going to appear next. Your mobile phone with its constant tracking and monitoring will be left at home and you will be moving like the wind. Nobody knows where it comes from or where it is going to - just like those who are led and transported by the Spirit! Praise Jesus!

The Spirit prompted me to read the psalmist's account of the exodus from Egypt:

Exo 15:3 The Lord is a Man of War; the Lord is His name. Exo 15:4 Pharaoh's chariots and his host has He cast into the sea; his chosen captains also are sunk in the Red Sea. Exo 15:6 Your right hand, O

Lord, is glorious in power; Your right hand, O Lord, shatters the enemy. Exo 15:7 In the greatness of Your majesty You overthrow those rising against You. You send forth Your fury; it consumes them like stubble. ...

Then the following verse caught my eye because it is exactly what the enemy is saying to himself in this very day as he continues the rollout of his new world order plans and his plot to rule all made in the image of God:

Exo 15:9 The enemy said, I will pursue, I will overtake, I will divide the spoil; my desire shall be satisfied upon them; I will draw my sword, my hand shall destroy them.

If you remember, this is what Pharaoh said when his army pursued the Israelites to the edge of the Red sea. They were seemingly trapped, with no way to escape what was bearing down upon them... Isn't this how multitudes of people feel when they worry about how they will be able to escape the mandatory vaccine (connected to the taking of the mark of the beast) and still survive without being able to work, buy or sell? But look what it says next as the Word describes the redemption and deliverance of the enslaved multitude:

Exo 15:13 You in Your mercy and loving-kindness have led forth the people whom You have redeemed; You have guided them in Your strength to Your holy habitation.

Today, as I was driving, I saw a huge pantechnikon speeding along the highway. On the side was a massive logo which said 'Monteagle Logistics'. I had the sense that this was another sign or visual aid in the ongoing lesson about the eagles and the new chapter we are entering. I have always assumed that any company which carries out logistics is involved in moving freight, but the Spirit urged me to

check out the meaning and origin of the word. I was amazed by what I found:

logistics (n.) "art of moving, quartering, and supplying troops," 1846, from French (l'art) logistique "(art) of quartering troops," which apparently is from Middle French logis "lodging" (from Old French logeiz "shelter for an army, encampment,"

Did you see that? Monteagle Logistics is involved in the moving, placing and supplying of army troops - and safe shelter is a prerequisite. No army commander would instruct his troops to set up camp in a place that is unsafe. This is exactly what the secret training of Lieuwen Vil eagles is about. They are receiving the blueprints for the moving, placing and supplying of the encampment of endtime troops. And these troops will operate from the safety of the base camp of Mount Zion above. From there they will conduct various strategic rescue exercises, leading people to salvation and baptizing them into the Kingdom of His dear Son.

Psalm 110 describes this vast troop of willing young men who spring forth from the womb of the morning as being like dew. What is dew like? It alights quietly while others sleep, is seen for a short while by those who are awake and then vanishes, just like Phillip was briefly and strategically seen by the Ethiopian eunuch, before being lifted up by the Spirit and planted down in another location.

Do you see why it is important to have a fully kitted out tool belt at your disposal? You never know when or where the Spirit will be using you next. Use these days before Shavuot/Pentecost to check you have all the scriptures you need under your belt, memorized and

ready to be wielded as needed to dispel misunderstanding and error.
There is a ripe harvest waiting for the swinging of your scythe.
Halleluyah!
