This message is a transcript of the podcast Finding Heaven's Frequency. However, I have expanded and added to what I shared in the podcast as more revelation flowed while preparing the written message.

I'd like to share with you what the Lord ministered to me early yesterday morning, March 29th. He woke me up very early in the morning, probably about half past 4 to 5am and instructed me to put on my headphones and to play a piece of instrumental worship music which had been recorded at the conference that I spoke at in February, in a place called the Bridal Chamber. And as I lay there, the sound waves in the frequency of that beautiful worship music penetrated my body and I felt the atmosphere of heaven fill my physical body. The Lord began to speak to me about frequency and the power of frequency.

Now many people know that there are certain frequencies of sound that are beneficial to the human body and others that are harmful to the human body. But He began to speak to me specifically about worship,, and about prayer and praying in tongues. He referred me to the 5G towers that are being erected all over the earth in order to facilitate the rolling out of the New World Order's plans for world governance and control. There is much in the news or on the internet that you can find at the moment about the damaging effects of 5 G. This radiation is extremely damaging to the human body, it lowers the human body's defences to pathogens and allows disease to enter and replicate. It also lowers the human body's frequency. Somebody

sent me a voice note yesterday saying that they've proven that praying in tongues, fasting and worship raises the body's frequency - in other words, it builds up your immune system and protects your earthen vessel. Paul advised to 'build yourself up, praying in the Holy Spirit'. So we know that when you pray in tongues, when you sing in the spirit, it builds you up but it doesn't only build you up spiritually; it builds you up emotionally, it builds you up physically! It has an actual physical effect on your body and the Lord said to me yesterday morning that the enemy may be raising his 5G towers throughout the earth in the attempt to control mankind, but the Lord of Hosts will be raising his 7G towers in the earth and He is calling upon his people to arise and shine, for His night is coming and He calls you to stand and begin to release the sound of worship and tongues and of prayer into the atmosphere.

Many people are locked down, many are confined to their homes, perhaps confined to the single rooms with little space to move and it's very trying to the soul and to human emotions to be so completely hemmed in and without social contact. Perhaps we can identify with our brothers and sisters in Christ who are in prison for their faith and solitary confinement for the Word of God. Praise Go that His Spirit goes where He wills and cannot be contained by the chains and locks and the decrees of man.

I'm going to read straight out of my journal - it starts with me making a decree and praying the Word from psalm 46 and Psalm 29 and then moves into a word from the Lord. I saw in the spirit how people connected with the throne-room and connected with Him Who sits on the throne and they became outposts of the throne-room.

During this week, in many countries, at a certain time of day, people come out on their balconies or stand at their windows and they have been clapping all that the same time to applaud the health care workers and the emergency caseworkers. It's such a boost to the morale of those who are working to fight this pandemic. But God is saying, "come, My people, raise a sound in the atmosphere and release praise to Me at appointed times - why must you watch the world doing this and partake in what the world is doing? Orchestrate a sound of worship and do warfare in the atmosphere. Worship sound rises towards the throne and mitigates and is an antidote for the sound of the river of death that's coming out of the dragon's mouth at this time.

I saw a very large dynamo spinning and creating light and power and as it did so, it flung out smaller mini dynamos in all directions. And the Lord showed me the map of Africa (but it is just as true in the country where you find yourself in the world), there were many small dynamos planted in different places in the land in Africa and in South Africa. And wherever they were planted, they began to spin and generate light and power and sound. And we say as one of Heaven's outposts, "lift up your heads, O you gates, yield you princes of darkness at the gates of this nation year, yield, you princes at the ports of this nation. Yield, you princes at the sound-gates and the wireless towers and the water ways of this nation. We release the river of life that flows from the throne of God - we say His kingdom comes and His will shall be executed in the earth. The King of Glory is coming and He drives back the darkness; the wicked melt like wax in the presence of the Lord. And the Lord utters His voice; the God of Glory thunders and He comes to powerfully shake the earth.

And the Lord begins to speak: "Arise and connect, My remnant. Arise and plug into the frequency of Heaven. Lift your eyes! Do

not cower before this flood of death and darkness! Do not look with your natural eyes and lean on your own understanding, come up higher and see with the eyes of your heart that I Am is still enthroned. See the life that surrounds my throne. Hear the angels sing 'worthy, worthy' and know I am coming in power and might. Connect with Me, My people. Lift your voices in praise and worship. Know that I Am is in the midst of My city. Drink of the streams of the river that flows from the throne. I send it forth for you, My people. Drink of the waters that will fill your heart with joy in My presence. I am in your midst and have I not said I will help you? Have I not said that my city shall not be moved and although the nations are in uproar and the kingdoms tottering, I am uttering My voice. Come and behold what My hand is doing in the earth. Be still and know that I am still enthroned and I will be exalted in the earth. I am God and there is no other. Be at peace, My people. I am the Lord of Hosts and I am with you. I am your refuge. Arise and to connect with Me. Arise and receive your marching orders. Plug in and download the blueprint of what I will do through you in these days. You are the light of this world; sons of the Light and sons of the day. Arise now and begin to release the sound of the throne. Stand at your post and emit the frequency of life and power and victory, right where you are beam forth and decree the word of life in the face of the death river". And I saw that as people began to obey the Lord and plug into the flow of revelation and life from the throne room, the river of death that was headed straight towards them, parted and went on either side and did not touch them. But those I saw who turned in fear and tried to run from the river, were overwhelmed by its dark waters. WE are not of those who fear. WE are of those who stand by faith!!

Heb 10:37 For in a very little while, the Coming One will come and He will not delay. Heb 10:38 But the just shall live by faith

and if he draws back and shrinks in fear, My soul has no delight or pleasure in him. Heb 10:39 But we are not of those withdrawing to destruction, but of those who believe to the preserving of the soul.

And I also felt the Lord saying; "Do not weep and mourn at the division of My people and a scattering of congregations. In My economy, and even in the biology of your own body, division produces multiplication! A cell has its nucleus divide its DNA strands in two and then each strand of DNA replicates itself and forms two cells, and then 4 cells, and then 8 cells. Division equals multiplication". And as He said that, I saw a dandelion head and all the dry seeds attached to it. When the time was ripe, the wind came and blew them all over the earth and wherever they landed, they were planted and took root and they grew and produced fruit. They were separated and individually planted at the perfect time, and yes, there was a moment of separation from the parent plant. There was a moment of cutting of soul ties; of division in order to effect multiplication. Perhaps even a moment of panic as the wind struck powerfully and effectively and completely severed, ending the former things in one blow...

Everything the enemy intends for evil, God turns for the good of those who love Him, who are called according to His purposes. The enemy can whip up a Euroclydon whirlwind to decimate Christian congregations, but all it serves to do is move their headquarters and command centres from earthly to heavenly - from the government of men behind a pulpit to the government of the Head of the Body, Who instructs each cell in His temple to function as He intends it to function. What a masterful stroke the King of the universe has orchestrated through the unfolding events. Hallelujah!!!

It's the same principle as that spinning Dynamo of light and power releasing mini dynamos, the little seeds from the dandelion head. The seeds carry the DNA of the head; the seeds (or the sons) carry the mind of Christ.

And the Lord continues; "You may have been scattered before you expected to be scattered; you may have become isolated before you expected to be separated from your brothers and sisters, but you can read My mind? I have given you the mind of Christ; arise and plug in and access the frequency of heaven; access the frequency of the throne room. Do not let your eyes look upon the reporting and the news of the river of death continually, day after day. I say to you, 'who is your king? Is corona your king? Or, is the Lamb upon the throne your King? Set your eyes and fix your eyes upon Jesus, King of kings and Lord of Lords and soon coming Bridegroom. Fix your eyes upon Me. Plug into the power of the source of the river of life underneath the throne and become an outpost of heaven in these days. Open your mouth wide and I will fill it with heaven's frequency in this hour".

The Lord is amazing. When you're listening to one message, He's able to simultaneously start downloading another message at the same time - spiritual multi tasking! As I was recording the message you just been reading, I saw a vision of exactly what I was talking about - people plugging into the throne room and becoming outposts of heaven, but I saw, as it were, a blanket of darkness over the earth, and as they plugged into the throne room power, it was like there was a release of the power and the electricity and the light of heaven that surged into them and they became these shafts of light, columns of light that shot up to the heavens. The earth looked like a dark ball with all the shafts of light sticking out of it, you know how they show these

pictures of the coronavirus which has the spikes sticking out of the ball. Well, when the people of God connect and plug into the throne room of heaven, the power and the light of heaven is released in each of these different outposts, it becomes this network of shafts of light irradiating and breaking through the darkness.

I do however want to add a word of caution here... I read a report this morning of a pastor, who told his people not to be pious and to shake each other's hands and he's refused to stop his meetings. And he's making these great boasts and decrees that corona virus can't enter the congregation. And I want to say, be very careful about stepping out in presumption. God is asking us to connect to the throne in worship, to bow our knees before him in prayer and, from our inner chambers, to release the decree and the light and the power of the word of God for the moment. He's not saying go out and step out, with your spiritual pride and your little wooden sword and face the giant like that - because you will be decimated! There is going to be a great shaking in the earth and the great separating, even amongst the ranks of the church. The word of God warns that those who take His name on their lips but live wickedly will be judged along with the wicked.

I was reading in Habakkuk 3 about the coming of the Lord and what it looks like. Take careful note of the order of events that is described:

Hab 3:3 God came from Teman, and the Holy One from mount Paran. Selah. His glory covered the heavens, and the earth was full of his praise. Hab 3:4 And his brightness was as the light; he had rays of light coming out of his hand: and there was the hidingplace of his power. Hab 3:5 Before him went the pestilence, and burning coals went forth at his feet. Hab 3:6 He

stood, and measured the earth: he looked, and drove asunder the nations; and the everlasting mountains were scattered, the perpetual hills did bow: his ways are everlasting. Hab 3:7 I saw the tents of Cushan in affliction: and the curtains of the land of Midian did tremble.

What stood out for me is that pestilence is mentioned. The pestilence precedes His coming. It goes before Him, but there are also burning coals going forth. Burning coals come from the altar of incense - that is about prayer and worship. Do you remember when the angel took coals from the altar in Revelation 8:5 and cast them forth in the earth? And there were lightnings and thunders and great shakings? We are the burning coals accompanying the coming of His feet, but right now we are doing it with our feet planted in one place on planet earth. At present... But the sound that we release from our places before the throne is what causes earthquakes and thundering and lightning releases, as heaven's frequency is emitted from the loudspeakers of our mouths!

God is shaking the nations, driving them asunder, destroying their golden calves. And He scattering the high towers that men have built. We must understand the times and be about heaven's business, which is to be hiding in our inner chambers, worshipping and becoming outposts of heaven. Become a broadcaster of the frequency of Heaven, of the worship around the throne. Join with the 24 elders and the myriads of saints and angels at this time. Using the mouth and the voice box God gave you, He's calling for his 76 towers to rise up, releasing His sevenfold light.

In Isaiah 30:25, it describes how upon every high mountain and every high hill, there will be brooks and streams of water. They are coming out of the mountains and hills, from springs hidden

deep within them. Brooks and streams of water are being released in the day of the great slaughter, when the towers fall. God has a plan to mitigate 5G; an antidote for His people. It is becoming one of his 7G towers in the earth. Cover the world with saints who rise up as towers of sevenfold light. Seven speaks of completion, perfection. Sevenfold light causes a shaking. Streams of living water are released through his people.

Isa 30:25 And upon every high mountain and upon every high hill there will be brooks and streams of water in the day of the great slaughter, when the towers fall.

In the day of the great slaughter, when the towers fall, this sevenfold light is released to bring healing. There is healing released through His sevenfold light, released from the mouths of his 7G towers.

Isa 30:26 Moreover, the light of the moon will be like the light of the sun, and the light of the sun will be sevenfold, like the light of seven days [concentrated in one], in the day that the Lord binds up the hurt of His people, and heals their wound

In Song of Songs 8, the Bride says she is a wall and her breasts like towers. Where are the saints who will stand as a wall around His Body? Where is the Bride who has breasts like towers, who carries the pure milk of the Word of God within her bosom and is rising to open her mouth and pray a river of life in tongues?

Look how the Word describes the effect of the song of His people in these days. God will cause His glorious voice to be heard through us. And He will execute His righteous judgments upon the enemy:

Isa 30:29 You shall have a song as in the night when a holy feast is kept, and gladness of heart as when one marches in procession with a flute to go to the temple on the mountain of the Lord, to the Rock of Israel. Isa 30:30 And the Lord shall cause His glorious voice to be heard and the descending blow of His arm to be seen, coming down with indignant anger and with the flame of a devouring fire, amid crashing blast and cloudburst, tempest, and hailstones.

Arise and become one of God's towers in these days. Broadcast the sound of the Throneroom in the earth. I absolutely love the Jubilee translation of the last two verses of Habakkuk (which means 'embrace', by the way, so stay in His embrace as you worship!):

Hab 3:18 yet I will rejoice in the LORD; I will joy in the God of my saving health. Hab 3:19 The LORD God is my strength, and he will make my feet like hinds' feet, and upon my high places, He will cause me to walk victorious on my instruments of music.

Selah
