

I sense this message is for a holy remnant of prepared and seasoned saints, not for the church at large. You will know who you are if this word witnesses with your spirit. If it doesn't, it just means you will be serving Kingdom purposes in other departments of His Kingdom blueprint. We are all needed and move at His command to our designated posts.

Sometimes, the Lord gives just enough information to set one on a journey of discovery. The Word says that it is the glory of God to conceal a matter and the glory of kings to search it out - and understanding comes incrementally as one continues to meditate and search out a matter. Such is the case with what I am about to share. Just after midnight on April 11th, I was awakened and saw a metal tube like a capsule coming down a vertical chute (like the one used in the series 'Signed, Sealed, Delivered' which is about the US post office's lost letter department). Then I saw a similar capsule being handed over from one woman to another outside a historical building. And I heard the words, 'Bletchley Circle'. The two women were dressed in World War II era clothing. It was strongly impressed upon me in a flash of understanding that this was coded instruction, and these people were to guard and protect its contents - for their own safety and safety of the information itself. Detailed instruction from headquarters was being sent. Their assignment was to decode and record the contents of what they had been given, for safe-keeping and timely execution of the blueprint.

Whenever the Lord uses an example like this, there is a wealth of understanding to be gained if we will just dig a bit, under the direction of the Spirit. The Bletchley Circle is a television mystery miniseries, set in 1952-53, about four women who worked as codebreakers at Bletchley Park. These women had worked together at Bletchley Park to decipher German military codes for the British military, during World War II.

Bletchley Park is a 19th-century mansion and estate that became the principal centre of Allied code-breaking during the Second World War. The mansion was constructed for the English financier and politician Sir Herbert Leon. Herbert means 'illustrious warrior' and Leon means 'lion'. Therefore, in this dream, the owner is a picture of our King who is the Lion of Judah, a Mighty Warrior and a Man of wealth.

There are a circle of saints that work in this house, who are receiving and working with vital coded information to help win the spiritual war. Bletchley Park was known as "B.P." to those who worked there. Converting to Hebrew lettering, this is 'Bet Pey', the 'house of breath'.

God is releasing strongly coded information in the days ahead, from the war room of Heaven, with detailed instruction and it issued to those working in this House of His breath. They receive and decode these time-sensitive strategic messages for the instruction and advancement of certain sectors of Kingdom warriors and the defeat of the enemy.

With a bit of research, I discovered that what I had seen hand-delivered was a pneumatic tube capsule. These capsules contained important secret information and compressed air was used to transport them. The word 'pneumatic' originated in the 1650s, from Latin *pneumaticus*, meaning "of the wind, belonging to the air," from Greek *pneumatikos*, meaning "of wind or air" (which is attested mainly as "of spirit, spiritual"), from *pneuma* which means "the wind," also "breath".

So, the capsule I saw being delivered depicts a message from above, being carried and delivered by wind, air, or, more specifically for us, it is spoken instruction carried by the breath of God to those who have the ability to record and work with such cryptic information and translate it into a simple, understandable form. This cryptic message must be decoded privately with the help of the Spirit of wisdom and revelation. And it must also be guarded.

According to the official historian of British Intelligence, the "Ultra" intelligence produced at Bletchley shortened the war by two to four years, and without it the outcome of the war would have been uncertain. Most never knew just how important their work ended up being, which reportedly saved millions of lives. The work done at Bletchley House only became public knowledge about 50 years after the end of the war. Those who participated in this war effort kept their mouths shut even from their closest family for all that time - that is a trustworthy servant! All this tells us that the cryptic messages being sent now contain heavenly counsel and revelation which will dramatically affect the outcome of this present spiritual war. It is precisely the release of the decoding which will contribute to God shortening the time of tribulation for the sake of the elect.

Mar 13:20 And unless the Lord had shortened the days, no human being would be saved (rescued); but for the sake of the elect, His chosen ones (those whom He picked out for Himself), He has shortened the days.

The postal address that staff had to use at Bletchley House was "Room 47, Foreign Office". This spoke to me of us being foreigners on this earth, citizens of another kingdom, issuing forth strategy

from a designated hidden war-room location. The room number on the postal address directed me to Isaiah 47 judgment on Babylon:

Isa 47:6 I was angry with My people, I profaned My inheritance [Judah]; and I gave them into your hand [Babylon]. You showed them no mercy; upon the old people you made your yoke very heavy. Isa 47:7 And you said, I shall be the mistress forever! So you did not lay these things to heart, nor did you [seriously] remember the certain, ultimate end of such conduct. Isa 47:8 Therefore now, hear this, you who love pleasures and are given over to them, you who dwell safely and sit securely, who say in your mind, I am [the mistress] and there is no one else besides me. I shall not sit as a widow, nor shall I know the loss of children. Isa 47:9 But these two things shall come to you in a moment, in one day: loss of children and widowhood. They shall come upon you in full measure, in spite of the multitude of [your claims to] power given you by the assistance of evil spirits, in spite of the great abundance of your enchantments. [Rev. 18:7, 8.] Isa 47:10 For you [Babylon] have trusted in your wickedness; you have said, No one sees me. Your wisdom and your knowledge led you astray, and you said in your heart and mind, I am, and there is no one besides me. Isa 47:11 Therefore shall evil come upon you; you shall not know the dawning of it or how to charm it away. And a disaster and evil shall fall upon you that you shall not be able to atone for [with all your offerings to your gods]; and desolation shall come upon you suddenly, about which you shall know nothing or how to avert it.

So those assigned to work in this House of Breath are decoding and releasing 3rd Heaven judgments on Babylon. This system does not see it coming, because God has highly trained, trustworthy code-breakers who are working with Kingdom purposes and the enemy cannot read the coded war information strategies before they are successfully executed in a quiet, efficient manner.

One thing the Lord really stressed to me was the classified nature of the information He is releasing at this time. The intelligence Bletchley produced was considered wartime Britain's "Ultra secret" - higher even than the normally highest classification *Most Secret* - and security was paramount.

'All staff signed the Official Secrets Act (1939) and a 1942 security warning emphasised the importance of discretion even within Bletchley itself: "Do not talk at meals. Do not talk in the

transport. Do not talk travelling. Do not talk in the billet. Do not talk by your own fireside. Be careful even in your Hut ..."

The Lord then said, "When I speak to you in visions and dreams and you decode them under the leading of My Spirit, you are working on a pneumatic capsule delivered by the Throneroom. It is very important work, guard and keep what is shared with you until I release you to share it with whom I instruct you to share it. The words delivered by My breath are valuable and weighty and contain dunamis power. Do not defuse it by careless chatter."

I then heard the phrase, "We are in a war of words". The dragon is releasing a flood of death and destruction-carrying words. We must receive and decode words flowing from the mouth of the King of Kings, in order to act wisely, undetected by the enemy, and silence is our best protection as we digest and carry them out. The enemy has flapping ears everywhere.

YOUR HOLD YOUR SPIRITUAL GROUND BY HOLDING YOUR
PEACE IN A TIME OF WAR.

Once again, I had the 'room 47' highlighted, this time in connection with Ezekiel 47 and the river released from the right hand side of the altar, which issues forth and brings healing and life in the desert.

Eze 47:8 Then he said to me, These waters pour out toward the eastern region and go down into the Arabah (the Jordan Valley) and on into the Dead Sea. And when they shall enter into the sea [*the sea of putrid waters*], the waters shall be healed and made fresh. Eze 47:9 And wherever the double river shall go, every living creature which swarms shall live. And there shall be a very great number of fish, because these waters go there that [*the waters of the sea*] may be healed and made fresh; and everything shall live wherever the river goes.

This is the Kingdom duty in the War of Words - to release life and healing wherever death and destruction have been released from the dragon's mouth. It is to operate in the seven spirits of God in judging righteously for the poor and oppressed and striking the earth and the oppressor with the rod of your closely guarded mouth. Precision strikes; words spoken at the right moment are like apples of gold in settings of silver. In this case, it is a golden bullet of correctly decoded words of His mouth set into the silver gun barrel of His written word and using the trigger of your tongue to unleash it straight to the target. And the enemy is taken out even as he is on his way to carry out heinous deeds.

The next phrase I heard was, 'the Suppression of Information Act' This phrase has a dual application. The enemy is carrying out just such a campaign in order to suppress truth and pull the wool over the eyes of the common people as the New World Order and Beast System is rolled out. However, God has also passed a Suppression of Information Act, in so much as those He trusts with strategy must set a guard before their mouths and the information He entrusts them with, because careless chatter will endanger the lives of themselves and other remnant saints.

One thing that was crucial in the skills of those hired to work at Bletchley House was the ability to operate in lateral thinking, which is a manner of solving problems using a creative approach, via reasoning that is not immediately obvious. It involves ideas that may not be obtainable using traditional step-by-step logic. Cryptanalysis (from the Greek *kryptós*, "hidden", and *analýein*, "to loosen" or "to untie") is the study of analyzing information systems in order to study the hidden aspects of the systems.

1Co 2:7 but we speak the wisdom of God in a mystery, even the hidden wisdom, which God predestined before the ages unto our glory, 1Co 2:8 which none of the princes of this age knew (for had they known it, they would never have crucified the Lord of glory).

The Bletchley circle know who they are. They have been selected and assigned because of their track record and their trustworthiness and their specific giftings. The intelligence they release in this hour will be carried to outlying troops waiting for precise orders from headquarters. God will not be issuing instruction that is logical to man in this war effort. That would make us like sitting ducks in the enemy's sights. Rather we must be led by the Spirit, seeking razor-sharp understanding and definite confirmation concerning His veiled instructions. He is using fresh codes daily, sometimes hourly (just as the war-rooms did during world war II, to keep one step ahead of the opposition) - there are hidden aspects to the phrases and sentences He speaks into our hearts in these days. He is hiding matters and kings must search them out. His language is cryptic - and weighty and worthwhile, if we will take the time to dig into the economy of words that is whispered to us in the night watches.

***Jer 33:3** Call to Me and I will answer you and show you great and mighty things, fenced in and hidden, which you do not know (do not distinguish and recognize, have knowledge of and understand).*

Prepare to wipe your prophetic drawing board clean. It will not do to rely on old books of Dream Symbolism or Prophetic Types and Shadows Manuals. The enemy knows all these tools and many of them contain mixtures of soulish and even devilish understanding. The Spirit is creating fresh codes daily in order to outwit the enemy plans. It is of paramount importance not to lean on your own

understanding or prophetic experience, however vast it may be, but rather to ask for heavenly counsel and input from the Spirit of Revelation and the Spirit of Wisdom with EVERY dream or vision we receive from now on. A blue boat in yesterday's dream does not necessarily have the same message as a blue boat in today's vision.

Pro 3:5 Lean on, trust in, and be confident in the Lord with all your heart and mind and do not rely on your own insight or understanding.

Pro 3:6 In all your ways know, recognize, and acknowledge Him, and He will direct and make straight and plain your paths.

Lean, lean, lean! With your full weight on the guidance of the Spirit for EVERY step in the unfolding of your Kingdom blueprint contained in the capsule you receive. We need to dissect and disseminate every aspect of His instruction, meditating on it and seeking deeper understanding. Sometimes, it takes days or weeks to gain clear understanding, to fully decode the meat of the message. Know this, the eternal security of another soul is at stake when you get handed a Kingdom pneumatic capsule. (Even as I typed that sentence, I saw souls dotting a landscape, unaware that the flood from the dragon's mouth was rushing toward them, and suddenly, they were snatched, one by one by a multitude of hands, out of harm's way, just as the foul river rushed by. He sees the one crying out to Him.) Keep seeking clarity concerning the blueprint detailed therein and then act quickly and quietly according to its explicit instruction. God is a Master Strategist and can easily outwit the enemy - that is why He sits in Heaven and laughs in Psalm 2. He uses the foolish things of the world to confound the wise, like 'when you hear the rustling in the mulberry trees...' (2 Sam 5:24). And when we are obedient to His counsel, victory is certain!

Selah

Dan 2:28 But there is a God in heaven Who reveals secrets, and He has made known to King Nebuchadnezzar what it is that shall be in the latter days (at the end of days). Your dream and the visions in your head upon your bed are these: Dan 2:29 As for you, O king, as you were lying upon your bed thoughts came into your mind about what should

come to pass hereafter, and He Who reveals secrets was making known to you what shall come to pass.

Dan 5:12 Because an excellent spirit, knowledge, and understanding to interpret dreams, clarify riddles, and solve knotty problems were found in this same Daniel, whom the king named Belteshazzar. Now let Daniel be called, and he will show the interpretation.

Psa 78:2 I will open my mouth in a parable (in instruction by numerous examples); I will utter dark sayings of old [*that hide important truth*]

Pro 1:5 The wise also will hear and increase in learning, and the person of understanding will acquire skill and attain to sound counsel [*so that he may be able to steer his course rightly*]
Pro 1:6 That people may understand a proverb and a figure of speech or an enigma with its interpretation, and the words of the wise and their dark sayings or riddles.

Pro 3:32 For the perverse are an abomination [*extremely disgusting and detestable*] to the Lord; but His confidential communion and secret counsel are with the [*uncompromisingly*] righteous (those who are upright and in right standing with Him).
