

Divine Image Destroyed ~ pt 3

Betrothed to 'Another'

Firstly, a warning that this is a LONG post! The Lord has been gracious and allowed me to put all the remaining revelation I have in one post but PLEASE read it in segments as you are able and pray about what you read. Go to the scriptures referred to and study it for yourself. Let the Holy Spirit speak to you. It will be the last piece I share on the spiritual significance of this present phariseia on offer. I would much rather share on the coming glory for the remnant, but a watchman is required to warn not only of the approaching light but also the darkness.

This last part of the series has been the most difficult for me to write as its contents make me want to weep over the devastation that is being wreaked upon God's Beloved because they have a lack of spiritual knowledge and lean on their own understanding. When the serpent, or more correctly, the flaming 'nacash', persuaded Eve to sink her teeth into the forbidden fruit, he did it by sowing a simple seed of doubt and a suggestion into her head. That insidious seed-thought was that God did not have her best interests at heart and was withholding something beneficial from her which was within her reach to grasp for herself. That caused Eve, the bride of Adam, to lean on her own understanding and assess the situation using her own senses and intelligence, instead of staying under the safe shelter of the headship of the Father. Her assessment was her downfall.

She reached out and laid hold of that which was not in her assigned portion and partook of that which God did not desire her to taste OR TOUCH. Everything we take into our earthen vessels becomes a part of us in some way. A permanent deposit is made either in our physical structure, our soul and memory or our spirits. You cannot partake and come away unchanged. It will either build you or break you down. THIS is why your daily choices are so important. What you allow to enter through the gates of your vessel will impact you – what you look upon, hear, eat, smell and allow to come into contact with your skin affects you in the physical, soul and spiritual realm more than you realise. Basically what you do daily and how you live affects more than just your body. We are fearfully and wonderfully made. Eve looked, touched and tasted – 3 gates were involved in the destruction of man's divinely appointed position near to the Tree of Life. The Tree of the Knowledge of Good and Evil seems to indicate by its name that eating of it

would endow the consumer with beneficial knowledge. However that fruit was the carrier of sorrow and woe. Much like the shot on offer...

I say all this as a foundation to what I want to share. The Bride of Christ is the second Eve or the last Eve (Eve meaning 'life-spring'). We are intended to become one with the last Adam, Jesus, and as I have explained in other posts, the accepting of His payment on the cross in Blood is the payment of the bridal price. We affirm our commitment to this marriage contract every time we break bread. In the endtime, satan's main course of action is exactly the same as in the garden of Eden. He wants to drive a wedge between us and God, and most importantly, as we get close to the marriage feast of the Lamb, he wants to hijack the Bride of the Lamb, defile her and make her his own. The vast swathe of unsaved humanity is not enough booty for him. His eye is on the ultimate prize of the ones the Bridegroom is returning for. He managed to deceive the first Eve and now he is intent on laying claim to the last Eve, who is already betrothed to the Bridegroom. He wants the elect, the chosen ones, to be deceived.

Does that sound a bit wild to you? It happened to Michal. She was betrothed to David; the betrothal being as binding as the final marriage feast. Yet her father married her off to another in order to cause maximum heartache to the man he hated and was jealous of. So how does this connect to the topic of this series – the pharmakeia being squirted into people's arms? In the video [Human Temple of Baal](#), the speaker shows us that ancient etchings of the Phoenician gods Baal Hamon and his consort, Tanit have reared their heads again in this present time in the design of the jab that everyone is rushing to receive.

The idol Baal was typically depicted as a crescent positioned above the figure of his wife (depicting headship over her). Tanit, or Ishtar or Astarte as she is also known, was depicted as round head and a triangle with extended arms. In the hydrogel contained in the 'vex' are microscopic robotic organisms (externally controlled) which are shaped exactly like the archaeological etchings of Tanit. Did you hear that?

THE MICROTECHNOLOGY IN THE HYDROGEL IS CREATED IN THE IMAGE OF BAAL'S WIFE!

These nanobots can assemble, disassemble and reassemble to do different things. They are receptors and transmitters, which can be sent to specific targeted areas in the human body. Remember also my post which dealt with [the Bel tower being built](#)! Bel, the god of the Canaanites, is another name for Baal, also known as Nimrod and Gilgamesh. And Jericho was a center of the cult of moon worship, as were Ur of the Chaldees and Harran. No wonder God called Abram to come out and be separate. Rahab also had to come out of moon worship and be separate in order to be saved.

Did you know the word charagma, translated 'mark' in Rev 13:16, also means 'graven image' – another word for idol? The letter to the church at Pergamum in the Book of Revelation warns us that Balaam and Balak will come back on the scene and they are involved in trying to get the people of God to worship Baal, just as they did in the Old Testament. Instead of this worship being done outwardly, it will be done inside the human body, which, in Believers, is God's temple. Instead of eating sacrifices offered to Baal through the mouth or taste gate of the body, the DNA of sacrificed children and the image of Tanit is introduced through the skin or touch gate into the outer court of the temple – the physical body.

74:4 In the midst of Your Holy Place Your enemies have roared [with their battle cry]; they set up their own idol emblems for signs [of victory].

'They have set up their idol emblems in the holy place...' the English word 'emblem' comes from Latin emblem, meaning "**inlaid** ornamental work," from Greek emblema (genitive emblematos) meaning "an **insertion**," from emballein "to insert" –sounds exactly like the method used to introduce the hydrogel containing the sign of Tanit into the body. Notice it is placed **INSIDE**, not **ON** the body. Once inside, the robotic organisms or nanobots can be instructed to migrate anywhere in the body.

The Hebrew word translated 'idol emblems' in this verse in the Amplified Bible also means 'mark' and comes from a root word meaning 'consent'. Doesn't a young woman say, "Yes" to a marriage proposal? And doesn't the prospective groom ask if he may marry the daughter and her father says, "You may". Tragically, it is many of the so-called fathers or shepherds of congregations worldwide who are giving those they have raised in the Lord as candidates for this covenant – on receipt of a 'bridal price' for the swelling of their own bank accounts. Those of you who are

older will also remember the old-fashioned marriage vows, which say 'with this ring I thee wed, with my body I thee worship'. But who is the 'marriage partner' and who is receiving the worship? Doesn't Revelation 13 speak of worshipping the image of the beast?

I have wrestled so much with the news of so many Believers gleefully receiving this witch's brew into their temples and have been seeking the Lord as to whether this means they have completely lost their salvation and are part of 'the great falling away'; the apostasy. In answer, the Holy Spirit referred me to the ancient Jewish wedding contract. First, there is a betrothal sealed by the consent of the woman and acceptance of a bridal price. From that moment on, she is no longer her own. Yes, she still lives in her father's house preparing herself for the completion of the marriage contract, but she has already entered into the process of joining her bridegroom's family. The betrothal is as binding as the final marriage vows. She is known as the wife of the groom and is veiled to indicate she has entered into a marriage covenant. Meanwhile the groom prepares a dwelling place for him and his bride to dwell together after the final marriage ceremony. And on the wedding night, the groom, for want of a better phrase, 'enters the bride and they become one physically.

In the case of the v.acks.een, this is the betrothal stage; the entering into of a marriage covenant with satan inhabiting the antichrist. The bridal price is the blood of the slain unborn and once the betrothal cup has been drunk, the bride-to-be is veiled and set apart. The veil of deception which covers her spiritual eyes causes her to see through a glass darkly and she finds it practically impossible to see clearly or grasp the full spiritual truth concerning the path she now walks on. She doesn't feel much different now that she has been marked with the sign of Tanit, but a contract has been entered into and it is legally binding.

For Believers who consent to this, they are entering into spiritual adultery or idolatry. Rebekah wore bracelets as an outward sign of her acceptance of the marriage proposal communicated by Eliezar. In the Old Testament, symbols were outward. In the New Testament, betrothal is spiritual. The sign of betrothal is not seen by the naked eye and is inward – the va.ksn8ed now bear within their bodies the idol emblem of Tanit, which identifies them as the corporate (or bodily) wife of Baal/Bel. They are like Michal married off to Paltiel when she was already in a marriage covenant with David.

The 'place' that the antichrist is preparing is actually the 5G connected worldwide network of genetically modified people – each one bearing the mark or image of the wife of Baal. It is a tower built using bricks of clay or earthen vessels. He is planning to add further computer parts through booster jabs and assemble within the outer court of this earthen temple an operating system that links each 'brick' of the tower of Baal he is building, through the 5G network. The plan is to 'enter his bride' and take full possession and stand in the holy place, by transmitting his voice in the place where the voice of the Holy Spirit used to be heard – in other words, the image of the beast is given the power to speak (Rev 13:15).

So, if a Believer realises they have made a terrible mistake by 'drinking the betrothal cup' offered by the jab, is there any way of being set free? In modern times, people break engagements all the time, but entering into a spiritual covenant is a much more serious matter. We do know however, from Matt 1:19 that divorce was a possibility after betrothal in New Testament times. However, according to Deut 24:4, a woman who had left her first husband and married another could not go back to her first husband because she was then considered defiled as she had been 'entered' by another. Adultery defiles and so does spiritual adultery or idolatry. So once the image begins to speak, the antichrist has 'entered the bride' or consummated this diabolical marriage covenant and at this point, no return to one's first love is possible as Jesus will not have a defiled Bride. She must be spotless and without blemish, a pure holy Bride.

When an idol emblem is inlaid or inserted into an earthen vessel it is defiled, in much the same way as when the image of a pagan god was set up in the temple. When Antiochus Epiphanes shed a pig's blood on the altar, he defiled the temple and it had to be taken back, thoroughly cleansed and rededicated back to God. The witch's brew in the syringe defiles those made in the image of God in so many ways; through blood sacrifice of the innocent, the introduction of hybrid DNA, heavy metals and nanobots. It is not only a physical but a spiritual defilement and the intention is to progressively permanently sever the connection between those made in the image of God and their Creator – just like in the garden.

It took the Lamb being slain and spotless Blood on the Mercy Seat for the connection to be reinstated. So can the Blood of the Lamb wash clean the earthen

vessel and wipe out the handwriting of spiritual adultery recorded against Believers who submit to this pharmakeia? I so much want to believe so, but I am not entirely certain yet. The Holy Spirit is still speaking on this topic; I am still learning. There have indeed been witches, brides of satan delivered and set free by the Blood of the Lamb – through true repentance, much deliverance and ardent intercession. But we are in the endgame now. Satan knows he has a short time and there IS going to be a great falling away. The contents of the jab are designed to genetically modify; to target the God gene on chromosome 8 which gives people the desire to seek spiritual things. Will people who have had it be able to feel conviction and sorrow for sin or as time goes by and booster jabs are added, will they be unable to find repentance? If God's people stubbornly refused to hear before they had the procedure, is it possible for their spiritual ears to be opened once they have drunk the cup of betrothal to Baal? These are the questions I am asking the Holy Spirit.

What does the Word say? In the letter to the Church of Thyatira, God warns against tolerating or allowing the works of Jezebel in the congregation. Jezebel promoted Baal worship in Israel and the prophets of Baal were fed by her. She silenced God's prophets. Rev 2:20 says she seduced God's people into spiritual adultery and idolatry and made them consume food offered to idols – the Greek word for this means 'an image sacrifice'. Sounds like the shot to me... the image of Tanit and the blood sacrifice of the unborn taken into the body. God issues a severe warning that great affliction is appointed those who do this:

The Amplified puts it this way:

Rev 2:22 Take note: I will throw her on a bed [of anguish], and those who commit adultery with her [her paramours] I will bring down to pressing distress and severe affliction, unless they turn away their minds from conduct [such as] hers and repent of their doings. Rev 2:23 And I will strike her children (her proper followers) dead [thoroughly exterminating them]. And all the assemblies (churches) shall recognize and understand that I am He Who searches minds (the thoughts, feelings, and purposes) and the [inmost] hearts, and I will give to each of you [the reward for what you have done] as your work deserves.

Pressing distress and severe affliction – you only have to watch videos of people showing the effect of the shot on their bodies to see this is already playing out. And verse 23 says that death is the final outcome. So I want to ask you again, is your faith in God or in pharmakeia, church of God? Do you treasure and protect and guard your marriage covenant with the Lamb of God or are you giving your

body to 'another'? God calls you to repentance for even considering partaking of this liason. Great deception pervades everything to do with this pharmakeia. Why do you think the vaccine packaging inserts are blank when they are delivered to the pharmacies? The contents of this witch's brew are so secretive because this time the apple is poisoned and death is the desired outcome! It is the enemy's plan to sift out the weak and the less useful members of society (just as Hitler did), thus reducing the world population, and then to control the remaining ones completely during the New World Order, not allowing any to buy or sell or function in society unless they are connected to the Bel tower.

Do you know that idolaters and sorcerers cannot enter the gates of the heavenly city or access the Tree of Life?

Rev 22:14 Blessed (happy and to be envied) are those who cleanse their garments, that they may have the authority and right to [approach] the tree of life and to enter through the gates into the city. Rev 22:15 [But] without are the dogs and those who practice sorceries and impurity [the lewd, adulterers] and the murderers and idolaters and everyone who loves and deals in falsehood (untruth, error, deception, cheating).

Dealing With the Scoffers

There are some who say all this is nonsense and the taking of a hazardous injection has nothing to do with one's salvation, it's a health issue – and besides, salvation cannot be lost. They believe in 'once saved, always saved'. I am sorry to inform you that this is not scriptural. Paul himself warns those who think their ticket to heaven is secure no matter what they choose to do after receiving it. He uses the Israelites who were brought out of Egypt to teach about this spiritual truth:

1Co 10:5 Nevertheless, God was not pleased with the great majority of them, for they were overthrown and strewn down along [the ground] in the wilderness.

1Co 10:9 We should not tempt the Lord [try His patience, become a trial to Him, critically appraise Him, and exploit His goodness] as some of them did--and were killed by poisonous serpents; 1Co 10:10 Nor discontentedly complain as some of them did--and were put out of the way entirely by the destroyer (death). 1Co 10:11 Now these things befell them by way of a figure [as an example and warning to us];

they were written to admonish and fit us for right action by good instruction, we in whose days the ages have reached their climax (their consummation and concluding period).

How does a serpent kill someone – by INJECTING poison into their system. Are we not those in whom the ages have reached their climax? So let us be warned. As 1 Corinthians 10:1-3 says, everyone who died in the wilderness had eaten of the Passover Lamb and passed through the Red Sea and followed the cloud, but God was not pleased with the majority of them. In other words, all who are part of the Body of Christ, Blood-washed and baptised, ARE CAPABLE OF RECEIVING A NEGATIVE REPORT CARD! Choose to partake of behaviour that incenses God and you could well find yourself slain! Paul issues a strong warning in 1 Cor 10, after listing the behaviours which resulted in judgement of the people of God in the wilderness:

1Co 10:12 Therefore, let anyone who thinks he stands, take heed lest he fall.

Rev 11:1 speaks of the temple of God being sectioned off in the end times. Those worshiping at the altar and the Holy of Holies where the manifest presence of God speaks from are protected, but the outer court is allowed to be trampled for 3&1/2 years. The outer court speaks of the part of the Body of Christ that has not moved further in their spiritual walk than the brazen altar, where the sacrifices for sin were made. It also speaks of the flesh – the Holy Place being a type of the soul and the Holy of Holies corresponding to the spirit of a person. So the flesh or body is being trampled AND the parts of the Temple of God who live in a fleshly way or those who have not pressed into the Holy Place are appointed trampling.

This shot in the arm tramples and destroys the human body. So where is your dwelling place, saint of God? Is it at the altar, worshiping and living by the light of the seven spirits of God? Or are you enjoying life in the outer court, accepting Jesus' sacrifice for sin but not making yourself ready? The outer court is to be trampled by the 'Gentiles'. That word also means 'pagans'. The root word for 'trample or tread underfoot' is paio, meaning 'to strike or to sting like a scorpion'. Oh my, that connects us straight to Revelation 9 and the army emerging from the bottomless pit, who sting like scorpions!

Fully Opening the Can of Worms

So let me take you full circle – I actually started on this journey of learning about the divine image being destroyed when God woke me up one morning and said, "Jeremiah 15". So I read it. It was shocking!

Jer 15:1 then the Lord said to me, Though Moses and Samuel stood [interceding for them] before Me, yet My mind could not be turned with favor toward this people. Send them out of My sight and let them go!

Wow, this is the God we serve; the One Who is the same, yesterday, today and forever. And here He has come to the end of His patience with His people. He clearly states that no intercession of any kind will change His mind. Their time of grace for repentance is over – wow, what a terrible place to find oneself... He does not even want them before His face.

Jer 15:2 And if they say to you, Where shall we go? then tell them, Thus says the Lord: Such as are [destined] for death, to death; and such as are for the sword, to the sword; and such as are for famine, to famine; and such as are for captivity, to captivity.

His people are being given over to 4 different kinds of judgement. God lifts His hedge of protection and lets the enemy in to wreak havoc. But what have these people done that has brought Him to this point? God explains clearly:

*Jer 15:6 You have rejected and forsaken Me, says the Lord. **You keep going in reverse.** Therefore I will stretch out My hand against you and destroy you; I am weary of relenting [concerning your punishment]. Jer 15:7 I will winnow them with a fan and a winnowing fork in the gates of the land; I will bereave them [of children], I will destroy My people; from their [evil] ways they did not return.*

They kept going in reverse; kept going back to the sin they had been told to separate from, which was spiritual adultery. They kept being unfaithful to God. What reason does God give for the deaths that occur amongst His people? A lack of repentance and a continuing in evil ways appoints His Body a winnowing in the gates (where judgements are issued).

The Hebrew word translated 'bereave them of children' actually means 'to miscarry, that is, *suffer abortion*; by analogy to *bereave* (literally or figuratively). We are hearing multiple horrific reports of women miscarrying; losing the fruit of their wombs after being jabbed. Other instances have been reports of babies who die from imbibing the breast milk of a recently jabbed mother.

Winnowing is conducted at the threshing floor to get rid of chaff and to separate that which is valuable for use. Remember my vision of the separation of grain from chaff, after hearing there would be many widows in the kingdom? I received it on the weekend when I actually found the mushroom with one bite out of its side. The Lord explained that those considered 'chaff' were light, lacking in spiritual weight, having no substance or nourishment in them. The extremely sobering thing is that in Jer 15:7, God declares HE will be the One doing the winnowing.

Do you remember a little while back, the Lord told me there would be many widows in the Kingdom in the days ahead? Well, read this:

Jer 15:8 I will increase the number of their widows more than the sand of the seas. I will bring upon them, [both] against the mother of young men and the young men [themselves], a destroyer at noonday. I will cause anguish and terrors to fall upon her suddenly.

Yes, Psalm 91 tells us that those who dwell in the secret place of the Most High are protected from the destruction that lays waste at noonday, but these people Jeremiah describes are actually appointed a destroyer at noonday— and He is not talking about unbelievers here. He is talking about those of God's people who continually choose idolatry and unfaithfulness to Him and prefer to keep embracing their sin. So I would say, here we have another description of the outer court of God's temple, which has been appointed trampling. And so psalm 91 describes those found worshiping at the altar in Rev 11:1.

If you read Jeremiah chapter 14, you discover God's people were in continual idolatry and they loved wandering from God. There wasn't a faithful bone in their bodies!

Jer 14:10 [And the Lord replied to Jeremiah] Thus says the Lord to this people

*[Judah]: In the manner and to the degree already pointed out have they loved to wander; they have not restrained their feet. Therefore the Lord does not accept them; He will now [seriously] remember their iniquity and punish them for their sins. Jer 14:11 **The Lord said to me, Do not pray for this people for their good.** Jer 14:12 Though they fast, I will not hear their cry; and though they offer burnt offering and cereal offering [without heartfelt surrender to Me, or by offering it too late], I will not accept them. But I will consume them by the sword, by famine, and by pestilence.*

Now, I have had one occasion where the Lord has told me not to continue praying for a person because they continually chose their sin, in spite of repeated warnings, dreams, people giving them words from the Lord etc. As hard as it was to stop, I knew that any prayer I prayed would be a waste of breath. All that remained was recompense according to that person's ways. And all I could ask was for mercy in the midst of judgement. Jeremiah 14 and 15 speak of such a situation. And Jeremiah was one of the prophets who had delivered God's warnings. However they had fallen on deaf ears, because there were false prophets promising great prosperity and peace:

Jer 14:13 Then said I, Alas, Lord God! Behold, the [false] prophets say to them, You will not see the sword, nor will you have famine; but I [the Lord] will give you assured peace (peace that lasts, the peace of truth) in this place. Jer 14:14 Then the Lord said to me, The [false] prophets prophesy lies in My name. I sent them not, neither have I commanded them, nor have I spoken to them. They prophesy to you a false or pretended vision, a worthless divination [conjuring or practicing magic, trying to call forth the responses supposed to be given by idols], and the deceit of their own minds.

Well, that's pretty much a description of the modern-day prophetic movement.... I have even seen one so-called prophet calling forth the manifestation of a vaccine to deal with the plague in 2020... and what does God say about those who slavishly follow the flesh-stroking words of these prophets of Baal?

Jer 14:16 And the people to whom they prophesy shall be cast out in the streets of Jerusalem, victims of famine and sword; and they shall have none to bury them-- them, their wives, their sons, and their daughters. For I will pour out their wickedness upon them [and not on their false teachers only, for the people could not have been deceived except by their own consent].

Poor Jeremiah can't help himself when he hears God say this – he goes into intercession mode, pleading with God to show mercy. That's when God says again, "No prayer is going to make me change My mind". So what is at the root of all this idolatry that precipitates judgement beginning with the House of God? Where did the rot set in? We find God explaining:

Jer 15:4 ...because of Manasseh son of Hezekiah king of Judah, for [the horrible wickedness] which he did in Jerusalem.

Well, I wondered what this terrible wickedness consisted of. You find it in 2 Kings 21:3-7. Basically Manasseh reintroduced Baal worship to a nation which had been cleansed of it by his righteous father. He built Asherah poles, worshiped the sun, moon and stars and began practising all the abominations of the peoples who did not serve the Living God, including offering his son up to Molech. BUT worse than that, he defiled the temple of God. I want you to read the following verses with spiritual understanding, bearing in mind all I have shared in this series about destroying the divine image:

*2Ki 21:4 And he built altars **IN** the house of the LORD, whereof the LORD said: 'In Jerusalem will I put My name.' 2Ki 21:5 And he built altars for all the host of heaven **IN THE TWO COURTS OF THE HOUSE OF THE LORD**. 2Ki 21:6 And he made his son to pass through the fire, and practised soothsaying **(SORCERY/PHARMAKEIA)**, and used enchantments, and appointed them that divined by a ghost or a familiar spirit: he wrought much evil in the sight of the LORD, to provoke Him. 2Ki 21:7 And he set the graven image **(IDOL)** of Asherah **(ASTARTE/TANIT)**, that he had made, in the house of which the LORD said to David and to Solomon his son: 'In this house, and in Jerusalem, which I have chosen out of all the tribes of Israel, will I put My name for ever.*

My brothers and sisters, here we have a description of the defilement of the temple of the Old Testament in exactly the same way as the pharmakeia shot is defiling the Temple of God which is His Body in the New Testament. In the outer court or the flesh, a graven image is placed. The inner court or Holy Place is also defiled with altars to the demonic gods – think of the nanobots that can cross the blood-brain barrier and instal themselves in the brain and wreak havoc. Think of the computer operating system being laid down through which the Beast will

speak. In this place where God has put His Name in our DNA, defilement is brought in. Think of the aborted baby cell lines in every jab.

And in verses 14 & 15, God says this is evil in His sight and makes Him angry and He is going to forsake His remnant and put them in the hand of their enemies. These statements strike one with the fear of God. God withdraws Himself and His protection from those who set up altars to Baal in the two rooms of the house of God i.e. the body and the soul. Because the vaks contents penetrate the blood brain barrier, installing themselves in the 'headquarters' of the body, dire effects on the mental state of those v.xed will be seen.

This is not just a flu jab you are lining up for, children of God. You are giving permission for the enemy to come in and devastate all the carved wood of the Holy Place and set up his emblems as signs of victory. You are offering up yourself as a trainee bride for the antichrist. Fall on your knees in repentance if you have been beguiled into doing this. God is slow to anger but His Word is clear – the one who defiles God's temple will be destroyed.

1Co 3:16 Do you not know that you are a temple of God, and that the Spirit of God dwells in you? 1Co 3:17 If anyone defiles the temple of God, God shall destroy him. For the temple of God is holy, which you are.

The Word tells us that when someone comes to the Lord in repentance, the veil is taken away (2 Cor 3:16). And a broken and contrite heart God will not despise. But there is no time to hesitate. Perhaps if repentance is deep and sincere and you turn completely away from this spiritual adultery and forego following through with booster jabs, the veil you received as one marked and set apart as the wife of Baal may tear. I don't know your journey or your heart but if you have come under strong delusion because you did not love the Truth, only Almighty God can deliver you.

It is no good praying for the physical effects of the shot to go away, without dealing with the root issue of spiritual adultery. Remember Rev 2:22, without sincere repentance for spiritual adultery there is appointed severe distress and affliction, followed by death. Those who have had the shot are now in the first stages of becoming hybrid beings, part man/part computer and the DNA in every cell is irrevocably altered. Death is in the blood and there will continue to be physical repercussions because of the foreign DNA implant. Imminent virologists have publicly stated that those already jabbed can be expected to live a maximum of 2 or 3 years. Such is the diabolical scheme behind the creation of this potion.

In 1 Corinthians 5, Paul speaks of dealing with a severe case of sexual immorality (the Greek word also means 'idolatry and adultery') and it seems that the way to deal with this flagrant sin was to surrender the person to suffer attacks in their flesh, in order to save their soul in the day of the Lord:

1Co 5:5 to deliver such a one to Satan for destruction of the flesh, that the spirit may be saved in the day of the Lord Jesus.

So it does seem that there may be a possibility that repentance in the midst of the initial suffering caused by the betrothal cup could prevent one's name being removed from the Book of Life. I cannot assure any positive outcome. All I can do is cry out the words of Joel 2 as a fast is called:

Joe 2:17 Let the priests, the ministers of the Lord, weep between the porch and the altar; and let them say, Have pity and spare Your people, O Lord, and give not Your heritage to reproach, that the [heathen] nations should rule over them or use a

byword against them. Why should they say among the peoples, Where is their God?

Still on the Fence?

And for those saints still undecided about the shot and not knowing how to avoid the coercion to comply, read this:

*1Co 10:13 There has no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that which you are able to bear; but will with the temptation also make a way to escape, that you may be able to bear it. 1Co 10:14 **Wherefore, my dearly beloved, flee from idolatry.***

Choose holiness. Set yourself apart for the Bridegroom and entrust your whole life into His hands. Do not lose that which is eternal because you are threatened with the loss of some temporal comforts if you do not comply. The Holy Spirit whispered to me one day this year, "You will be called 'The Dissenters'". So be it, if I am to be known as His, this will be a badge of honor.

Rev 14:12 Here [comes in a call for] the steadfastness of the saints [the patience, the endurance of the people of God], those who [habitually] keep God's commandments and [their] faith in Jesus.

Is the Harvest Lost?

As I have pondered all this terrible revelation, my question has been: how does the last harvest get brought in if a large percentage of the world has already been jabbed, making them unreceptive to spiritual things? I know the holy remnant Bride will be involved in harvesting, but how on earth will it be accomplished? As I cried out to the Lord concerning this, He gave me a vision of the Remnant Bride standing in a harvest field at night. She had a lantern tied to her belt and a scythe in her hand. Her figure was lit up, not in shadow, even though it was dense darkness around her. As far as the eye could see, this massive harvest field looked like it had been trampled by a rampaging beast. The stalks of grain were lying bent and broken in the mud and here and there a brave little stalk was still standing, a bit battered but upright. And it was these single heads of grain she was stealthily harvesting one at a time, ever so quietly in order to not make a noise and be

discovered. The scene had a sense of danger about it, as if one wrong move would end in discovery and punishment.

It seems the scene is taking place during a time of persecution, most likely the 3&1/2 years of the wearing out (Hebrew means 'afflicting') of the saints, spoken of in Daniel 7:25. I thought about the belt of truth that is part of our spiritual armour and how the light the Bride carried was connected to it. It is the light of Truth that is shared with the brave little bruised but unbroken stalk of grain. I also thought about the revelation I received about the [harrow](#) a little while back, and how Revelation 11 speaks of the outer court of the temple being trampled by the gentiles or pagans for 3 & 1/2 years and I knew the trampling of the harvest field I saw and the destruction of much of the potential harvest was accomplished by the beast system in order to rob Jesus of seeing the fruit of the travail of his soul.

Yet, God WILL have His final harvest. We know this because it is written in the very same chapter that speaks of the mark of the Beast.

Rev 14:14 And I looked, and behold a white cloud, and upon the cloud one sat like unto the Son of man, having on his head a golden crown, and in his hand a sharp sickle. Rev 14:15 And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe. Rev 14:16 And he that sat on the cloud thrust in his sickle on the earth; and the earth was reaped.

Halleluyah!
