

The Fuse is Lit ~ pt 2

In part 1 of this word, I mentioned the Lord giving a 40 day time line which ends on 14th December when the Electoral College vote takes place in the US. By 6pm on that day, it will be the exact midpoint of the Feast of Dedication, also called Hanukkah. This celebration is also called the Festival of Lights. As I type, I see the right hand bowl of a pair of scales and a substance is being poured into it in a stream from above. It piles up in the bowl and then suddenly the scale tips and the right-hand bowl and its contents plunge downwards. What is this, Father?" I ask. "...Judgment given in favor of the saints," a voice states. And I realize that the substance pouring into the bowl is prayers, and finally the weight of intercession before the throne tips the verdict in the saint's or saints' favour. I say this because I do not know if the Lord is referring to certain answers to individual saint's prayers or if this indicates a judgment in favour of a common prayer that many of the saints are praying concerning the elections. The 14th of December brings a release and breakthrough in a spiritual battle. But breakthrough does not mean the battle is ended. The judge's gavel falling is the beginning of a process—judgment in the saints' favour must still be enforced and set in place. The Lord said to me this would take another 40 days; in other words, 23rd January 2021. The US 20th Amendment was ratified on January 23, 1933, stating that the new president would take office on 20th January.

YOU ARE THE LIGHT OF THE WORLD

At 6pm on 14th December, when the first watch of the night begins, the 5th lamp of the Hanukkah candlestick is lit by the central shamash or servant candle (which represents Jesus, the light of the world, Who comes to light every man). What does this symbolize? The 5th member of the 5fold ministry is the evangelist and here is a baptism of fire ignited in a servant company, released to bring in the last endtime harvest. Now the last wave of 5fold ministry is lit for the season ahead. According to [Helena Lehman](#), on this day of Hanukkah in 4 BC, the angel visited Mary and she conceived Him Who is the Light of the World. Just 2 days later, December 16th, the month of Tevet

begins. On the first day of this month, Esther was taken to the King and overnight positioned as queen of his realm.

Est 2:16 So Esther was taken to King Ahasuerus into his royal palace in the tenth month, the month of Tevet, in the seventh year of his reign. Est 2:17 And the king loved Esther more than all the women, and she obtained grace and favor in his sight more than all the maidens, so that he set the royal crown on her head and made her queen instead of Vashti.

So the first half of the feast of Hanukkah is a time of the final touches being put in place for the woman of worth, who is to be the bride of the king. Then the season changes for Esther, but note it does not change for the other women in the preparation chambers. They will remain as concubines and may still have one night encounters with the king in the future, but Esther dwells with the king! Many are called but few are chosen. For Esther, the year of preparation is over; the applications of myrrh for purification a dim memory and the fragrance of sweet spices like a cloud around her as she forgets what lies behind and looks forward, moving into a new and different place.

Son 6:9 But my dove, my undefiled and perfect one, stands alone [above them all]; she is the only one of her mother, she is the choice one of her who bore her. The daughters saw her and called her blessed and happy, yes, the queens and the concubines, and they praised her.

This feast is a transition bridge from the time of Esther's preparation to the moment of finding favour and positioning. On the 1st of Tevet, the time of competition is over and only one receives the royal crown. It is the time of the changing of the guard. Vashti has been removed a year before from the king's sight and finally, Esther, meaning 'star', takes her place. Those who shine like stars are being set in place in their heavenly positions. Esther is a type of the Bride of Christ who makes herself ready under the tutelage of the Holy Spirit, depicted by the keeper of the house of women, Hegai. Esther is a warrior Bride, one who is elevated to a position of influence for such a time as this. I see the Bride of Christ coming up higher, receiving a governmental authority

that she has not functioned in before this time, in preparation for a colossal spiritual battle that lies ahead. She is positioned by the hand of Heaven, stepping into her days of destiny; the days of having the King's ear and heart.

But this does not mean there is sunshine and roses. Ahead of her is the diabolical plotting of Haman. She is crowned in the same season as the waters of judgment lie upon the earth. She is in the palace but turmoil and uproar are outside its gates. Remember the burning bomb fuse. The 40 day marker leading to explosion is two days before Esther's marriage. This is the time to fix your eyes on things above, where Christ is seated at the right hand of God. You have an upper window of double portion light, remnant in the ark! Don't try to search for true light among the dark light being disseminated in the earth. Go to the feet of Him Who is the Light of the world. You have taken refuge under the shadow of His wing and in His light you will see true light.

Psa 36:7 How precious is Your steadfast love, O God! The children of men take refuge and put their trust under the shadow of Your wings. Psa 36:8 They relish and feast on the abundance of Your house; and You cause them to drink of the stream of Your pleasures. Psa 36:9 For with You is the fountain of life; in Your light do we see light.

Note also that Esther is no longer a part of the house of women and knows nothing of what goes on amongst them. For me this speaks of the Bride not being involved or looking upon what is going on among the rest of the many who claim affiliation to the King of Kings. Final positioning for endtime purpose means FIXED FOCUS, not idle spiritual chitchat; different garments, different daily duties, different food. Esther eats what the King is eating. That is significant. The house of women has a different diet; Esther feasts on a table prepared by a royal kitchen. Feast on the abundance of His house, as psalm 36:8 says. Don't search for scraps from the restaurant kitchens of the Babylonian church. He has prepared a table for you in the presence of your enemies.

ANCHORED ABOVE

As I mentioned in part 1, there are two 5 month periods highlighted during the flood judgment. For the first 5 months, the ark moved along, carried by the will of God to the appointed anchoring place. These months are a time of feeling like there is no solid foundation beneath your feet in the earthly realm; a time of constant movement and limited understanding of what is going on around you in the earth. It is a time when God will keep in perfect peace those whose hearts are fully His. Then finally, the constant motion stops and you come to a place of rest, but still, you are to REMAIN in the ark OF His presence. The desire to throw open the door and go out and do something different will be a temptation, but you must stay submitted to the direction of the Spirit. Do not attempt to step out in presumption. You are being hidden for your own safety.

Isa 26:20 Come, my people, enter your chambers and shut your doors behind you; hide yourselves for a little while until the [Lord's] wrath is past. Isa 26:21 For behold, the Lord is coming out of His place [heaven] to punish the inhabitants of the earth for their iniquity; the earth also will disclose the blood shed upon her and will no longer cover her slain and conceal her guilt.

A FLOOD OF DEEP DARKNESS

After the vision of the lit fuse which I shared in part 1, I was shown another scene; I saw hell open its mouth and vomit out a flood of demonic beings from its belly. They jumped on people's backs and rode them like jockeys would ride a horse, thrashing them into a frenzy of blood lust. Considering the fact that CERN in Switzerland planned to open 12 gates to the unseen realm at the end of October 2020, it does not surprise me to see this unleashing of the demonic. Just as the heavenly New Jerusalem has 12 gates and descends from above, so too there is a counterfeit in the dark realm, where gates can be opened below. In Revelation 9, a key is given to open the bottomless pit. A key can be a solution, knowledge to solve a puzzle, as well as a physical key. The locusts that pour out of the bottomless pit have a king at their head whose name is Apollyon or Abaddon, which means 'destroyer'.

The plague of the 3 days of darkness in Egypt took place during the five months we are highlighting before Passover. I would like to share with you part of a [word from Celestial](#) of The Masters Voice blog, concerning the 3 days of darkness. This will occur as Planet 7X/ Niburu comes between the earth and the sun. Because it is so large, it will take 3 days before the sunlight reaches earth again:

*'For 3 days this earth shall be dark as soot and pitch, it will be starless and very cold. It will look and feel like outer space where there is no warmth and My presence shall not be noticeably here. Only with my TRUE CHILDREN will My presence be visible, to light their way, bless their homes, to keep them safe and protected from the grasping tendrils of the evil one. The earth will be exposed and vulnerable to terrors during this time. This is My command to you: Sit in your places and do not go out from them, or you will be utterly destroyed by the beasts roaming the territory at that time. **Stay in your places and repent, cleanse your sins with My blood.** Do not go outside to do anything but SIT until the sign of Jonah passes. After 3 days he was brought forth from the whale into the daylight again, so shall you be and I will keep you as you go through this.'*

If you are a follower of my blog, you will remember me sharing that Gill Broussard has calculated the passing of the planet Niburu/Planet 7x/the Red Dragon to occur on March 30/31st , just after Passover (at the end of the same first 5 month period we have been discussing). One of the other names of this planet is the Destroyer. Not coincidentally, this name is mentioned concerning the plague of the firstborn in Egypt:

Exo 12:23 For the Lord will pass through to slay the Egyptians; and when He sees the blood upon the lintel and the two side posts, the Lord will pass over the door and will not allow the destroyer to come into your houses to slay you.

There have been testimonies of certain saints receiving dreams or visions of a planet hurtling towards earth with demons clinging to it, so it is possible that

this passing of the Red Dragon/Planet 7X coincides with the second part of my vision of Hell belching out a flood of demonic beings. If this is the case, then post Passover 2021 (Feast of unleavened Bread) being the time these beings are unleashed into the earth realm. Of course Noah was still safe and sealed in the ark at this time.

TESTING THE WATERS

During this time when the ark was anchored, the weeks must have dragged by for Noah and his family. How they must have longed for fresh air and freedom to move about as they pleased. Finally, he sent out the raven on 10th Elul, which flew to and fro and never returned to the ark. It was his fleece, testing to ascertain the external times so he would know what to do. A raven is an unclean bird. This bird flying above the waters of judgment speaks of an unclean sound, a dark sound echoing back and forth in the atmosphere. It doesn't affect the remnant in the ark, but they must have wondered what had happened to that bird. Why hadn't it returned? The raven —a picture of the hireling who wants freedom to do as he pleases; who has no concern for the sheep and as a result is relegated to the realm of judgment outside.

On 17th Elul, Noah sends out the dove for the first time. She is the one who ministers understanding of the times to the remnant hidden in the ark. There is still no place to rest the sole of your foot outside the ark of His presence at that time. It's not safe outside. Remain at rest. God is still busy. The strong wind is still blowing, the waters of judgment still lie deep on the land. This is a time to cast aside your own understanding, commit all your paths to Him, believe the word of caution from His bondslave messengers and He will direct your feet in the path of peace. 'Be still and know that I am God. I will be exalted in the earth' (Psalm 46).

LET'S SUM THIS UP

I know it can get confusing with all the date and time markers, but what this is basically showing us is that during the two 5 month periods and even until RH 5782, we have to brace ourselves and gird our loins for significant mayhem, both on the earth and in the heavens, as the fiery waters of judgment on the wicked do their work. After Passover 2021, the level of the demonic will significantly increase worldwide and the true Bride of Christ will be depending totally upon Heaven for provision and protection. Personally, I see the 3&1/2 years of tribulation beginning at this time, but I am open to adjusting my understanding as more light comes. Planet 7X will also greatly affect weather and trigger earthquakes and volcanoes with its gravitational pull as it approaches in the lead up to Passover and afterwards, as it leaves earth's rotational axis. The ark of His presence is where we must remain. This giant planet also brings with it air laden with iron oxide, which is toxic, perhaps fulfilling the rivers turning to blood in Revelation 8:10,11. Hell will be breaking loose outside the secret place of His presence but those who are hidden in the shadow of the Almighty are untouched. Remain anchored and stable in the place of prayer, worship and fasting. Break bread daily, reaffirming your marriage covenant with the Lamb. His Blood is your protection from the Destroyer.
