

Vision of Incoming Space Object 25/07/2020

For some years, I have known about the possibility of the arrival of a large space object, for want of a better word, in the earth's orbit. A man called [Gill Broussard](#) has done excellent research on this topic and provides some fascinating documentation from many ancient cultures which kept records of cataclysmic happenings in space affecting the earth's weather and surface (His [free pdf book and Biblical charts](#) are very interesting – I have posted one of his charts at the bottom of this post). He expected the planet to show up some time round 2016, but perhaps the prayers of the saints and the mercy of God has delayed it for a short season. His latest research suggests the planet will cross earth's orbit round March/April 2021, which is round the season of Passover. Surely this is no coincidence...The timing of many catastrophes in the Old Testament coincide with the passage of one particular body in space, which is referred to by some as Niburu, Planet X, the brown dwarf star, the red dragon, the blue kachina etc. There are also a large number of saints who have been given dreams and visions of what is coming in the heavenlies and on the earth. I personally had not been shown anything by the Lord about what is happening in space until this week, when, as usual, the Father began an interesting conversation with me. I never know what is coming when He says, "come..."

"Come, daughter, We want to show you something."

"Ooh, Lord, that's exciting!"

"In a way..."

This disturbed me a bit, because it didn't sound like it was going to be a pleasant experience.

"Is it scary?"

"Depends which vantage point you look from..."

In a vision, I am suddenly in outer space and there is a reddish brown large planet to the left of me with a distinct blue glow on its external surface. I can see stars twinkling in the darkness and to my right but further away and looking much smaller, is the earth, suspended like a blue marble. The big

planet is moving forward with speed in the direction of the earth, and I am moving with it.

“Is it going to hit, Lord?”

“No... but the debris from its field will.”

As the planet gets closer to earth, I see the globe begin to shake slightly and then more violently. The surface of the earth begins to crack open, like the hard ground does when one pulls up the roots of a plant. I see earthquakes taking place all over the globe and volcanoes going off. The earth is shaking violently from the effect of the gravitational pull of the approaching planet.

Then I see a big padlock buried deep breaking open under the influence of the shaking and chains fall down and I see giant beings released from the places where they have been imprisoned and climbing out of them.

I see very strong winds blowing across the surface of the whole earth, and for a brief moment, I am zoomed in and see people clinging to lampposts and trees to try and anchor themselves in the gale-force winds. Then I hear a phrase ‘solar winds’. I have no idea what this means.

I asked the Father, “How long will it take to pass by?”

“A few days...”

Then I remember the research by Gill Broussard, who calculated that it would take 3 days for planet 7X/Niburu to cross the earth’s orbit and because of this, there would be darkness upon the earth for that period because it would pass between the earth and the sun. I also remembered that he put forward that the 2 times of it crossing earth’s orbit would be some time near the feasts of Passover and the Fall Feasts, with a 5 month period in between. I do not know if I am seeing what he spoke of or if this is another incoming planetary body.

I began to pray, “Lord, help us. Shelter us. From what vantage point is this not scary?”

“From My throne, daughter. Am I not the One Who commands the waves of the sea to rise (and verses from Psalm 107 came to mind) and am I not the One Who launches the planets in their orbits? Do I not know each star by name? And is this not My Destroyer released to deliver My people from the

yoke of Egypt? (As He said this, I saw the Destroyer passing over ancient Egypt and the Israelites leaving their slavery and crossing the Red Sea.)

Psa 107:25 For He commands and raises up the stormy wind, which lifts up the waves of the sea. Psa 107:26 [Those aboard] mount up to the heavens, they go down again to the deeps; their courage melts away because of their plight. Psa 107:27 They reel to and fro and stagger like a drunken man and are at their wits' end [all their wisdom has come to nothing]. Psa 107:28 Then they cry to the Lord in their trouble, and He brings them out of their distresses. Psa 107:29 He hushes the storm to a calm and to a gentle whisper, so that the waves of the sea are still.

“I delight to provide for them, to protect them and lead them, but how can I do this unless the yoke of wicked men is dealt with? How can I set them apart for Myself and dwell in their midst, while they still wear the yoke of slavery to the systems of this world?”

“But, Lord, ” I answered, “We still have to live in this world for a season...”

I had hardly finished my sentence before parts of a very well-known scripture were spoken in my hearing. The words vibrated there in the atmosphere, imparting faith and courage to me:

Mat 6:31 ...take no thought, saying, What shall we eat? or, What shall we drink? or, what shall we wear? Mat 6:32 for your heavenly Father knows that you have need of all these things. Mat 6:33 But seek first the kingdom of God, and his righteousness; and all these things shall be added to you....

Then He spoke again, **“Yes, daughter, David’s household fled from the murderous plots of Absalom and arrived exhausted at the Jordan, and did I not refresh them by the hand of My servant? And did they not come to Mahanaim and find a banquet already prepared? Do not underestimate my ability to plan ahead, daughter. I know My faithful children’s needs.**

Yes, the Destroyer comes, and a great cry shall arise in Egypt (He refers to the world systems here) as it passes by and wreaks havoc with their plans and dynasties, but you, My people, make use of My Blood and shelter in the shadow of My wings. It is the reward of the wicked that the planet comes to execute. They think to hide deep their plots and plans, but He Who made the ear, can He not hear their diabolical whisperings, and can He not see the shelters they build deep in the earth? There is no place they can hide from Me.

Be at peace, my daughter. My angels already have their orders to bring My veiled ones to safety before judgment strikes. What you need now is extreme focus, not alarmism but purposeful focus! It's time to pass through the eye of the needle now... and wait 'til you see what awaits you on the other side!"

As He says this, I see a camel kneeling down outside a gate in the wall of Jerusalem, and all the baggage being unloaded from it, so that it can fit through the small gate. I realise He is speaking of getting rid of weights and cares and issues we are dragging with us. I also see a woman sitting at a window, trying to thread a needle. The room where she is sitting is dimly lit and she is using a shaft of sunlight coming through the window to see clearly. She is intensely focused and keeping her eyes on the small portal that the thread must pass through. The Spirit is saying that as the light in the world gets ever dimmer, while the dark night of trial sets in, we must focus and use the light and revelation of the Son, Jesus, in order to accomplish what we need to do.

There is also a mention of passing through the eye of a needle in my post called : 'The Dove Chronicles III ~ Plug In Before Proceeding'. I include a portion of that message again as the Lord is emphasizing extreme focus:

*'Then the Father continued, **"My people must get plugged in now, in this year, in order to be unshaken when all power to operate and live normally in the earthly realm is taken from them!"** and the scripture about not being able to buy or sell without the mark of the beast came to mind and I understood He was referring to the NWO alternative, which meant being plugged into the beast system. God is calling His people to be plugged into the heavenly system NOW and live connected to heavenly sources of power supply from this moment forward...'*

Precious saints, we are almost at the end of the year 5780, which God referred to as the year of preparation. The month of Av began this week and Rosh Hashanah 5781 (the start of the Fall Feasts) begins on the evening of 18th September. We are presently in the time which the Jews call 'three weeks of mourning for the destruction of the temple'. This happened on the 9th Av. Beloved, are we not living in the days when men are busy crafting a vaccine which will destroy the bodies of man who is made in the image of God. Are we not His temple? We see unfolding on the world scene the plots for the destruction of the true temple of God which is not made with hands....

We have only +/- 56 days of the preparation year left. Yes, asteroids and meteors will bombard the earth in the time ahead. Scientists and astronomers have announced that the earth has now entered a space debris field, also saying month of September will herald the increase in this space debris making impact with the earth surface. And yes, there will be a marked increase in earthquakes and volcanoes and very strange weather patterns as the gravitational pull of the incoming space objects affect the earth. But let us take shelter in the Rock of Ages, the One Who is unshakable. He is our refuge and strength, a very present help in trouble (Psalm 46). God is calling for a casting off of fear and the baggage we have been carrying, and an increased focus on the task of entering the narrow or small gate. The Father knows what we have need of and as He said, He delights in providing our needs. So let us seek first His Kingdom. And put all else in His capable hands.

Isa 2:19 And they shall go into the holes of the rocks, and into the caves of the earth, for fear of the LORD, and for the glory of his majesty, when he arises to shake terribly the earth. Isa 2:20 In that day a man shall cast his idols of silver, and his idols of gold, which they made each one for himself to worship, to the moles and to the bats; Isa 2:21 To go into the clefts of the rocks, and into the tops of the ragged rocks, for fear of the LORD, and for the glory of his majesty, when he arises to shake terribly the earth.

Isa 13:13 Therefore I will make the heavens tremble; and the earth shall be shaken out of its place at the wrath of the Lord of hosts in the day of His fierce anger.

Hag 2:5 According to the promise that I covenanted with you when you came out of Egypt, so My Spirit stands and abides in the midst of you; fear not. Hag 2:6 For thus says the Lord of hosts: Yet once more, in a little while, I will shake and make tremble the [starry] heavens, the earth, the sea, and the dry land; Hag 2:7 And I will shake all nations and the desire and the precious things of all nations shall come in, and I will fill this house with splendor, says the Lord of hosts.

Heb 12:26 Then [at Mount Sinai] His voice shook the earth, but now He has given a promise: Yet once more I will shake and make tremble not only the earth but also the [starry] heavens. Heb 12:27 Now this expression, Yet once more, indicates the final removal and transformation of all [that can be]

shaken—that is, of that which has been created—in order that what cannot be shaken may remain and continue.

Psa 91:7 A thousand may fall at your side, and ten thousand at your right hand, but it shall not come near you. Psa 91:8 Only a spectator shall you be [yourself inaccessible in the secret place of the Most High] as you witness the reward of the wicked.
